

EDUCATION				
Year	Degree		Institute	%
2024 - 2026	MBA		IIM Lucknow	-
2017 - 2021	B. Tech in Elec. & Comm.		IIIT, Allahabad	78.3
2017	Class XII (Karnataka PUC)		Narayana PU College, Bengaluru	93.5
2015	Class X (AP SSC)		Narayana e-techno School, Anantapur	9.7
ACADEMIC ACHIEVEMENTS				
Women Innovator and Best Mentor Awards at PS-1925 Dronathon, competing among 80 participants				
Competitive Exams	- Awarded 1st in District, 7th in State out of 70,000+ in SLSTSE by Unified Council of India - Honored with 1st out of 1475 with Diploma in Cyprus Math Society's Provincial Competition - Awarded Mathematical Racket in Cyprus' Skytalodromia, among top 120 students, 4 districts			2011 2014 2014
Certifications	Digital Systems & Architecture using Verilog from IIITA, Qualcomm-NXP	Home Automation by Alexa from IIIT-A & Design Innovation Centre	Fundamentals of Digital Marketing Course – Google	
Academic Projects, IIIT Allahabad	- Engineered real-time speech pitch shifter in Verilog-FPGA, enhancing pitch precision by 20% - Achieved 2x high-speed, quality-preserved audio modulation, ↑ processing capabilities			2021
	- Implemented radar system for range detection using SFCW with MATLAB and GNU Radio - Simulated on GNU Radio with 98.93% accuracy, successfully detecting objects up to 15 kms			2020
	- Developed and optimized a CNN ML model for accurate classification of 120+ dog breeds - Achieved 88.8% accuracy using proposed algorithm on Stanford dataset with 20,580 images			2020
WORK EXPERIENCE				
R&D Engineer		ABB, India		July '21 – July '24
Authored 20+ Azure DevOps Wiki		Industrial IoT Integration		Accolades from MD, ABB
IoT & API Enhancements	- Revamped cloud-to-device communication protocol, accelerating telemetry message delivery by 30% - Designed HTTP client module arch., ↑ integration time by 20% and improved D2C communication efficiency Reduced data access time by 30% by crafting and implementing 15+ RESTful APIs for cloud and devices			
Spot Award for spearheading the development & integration of ELK-stack in Ability-Edge, driving team of 45+				
Operational Efficiency	Reduced deployment times by 30% across 3 environments by optimizing 50+ ADO deployment scripts - Developed in-house data migration tool, ↓ DB migration time by 40%, improving efficiency for 400+ clients - Optimized Docker credential management with Linux and C# changes, improving data security by 20%			
Project Management & Strategy	- Conducted strategic bug reviews & release meetings; delivered 20+ apps (~ 99% success rate) in China & ROW - Liaised with 15+ stakeholders, improving system performance by 20%, to implement scalable IIoT solns. - Conducted requirements analysis & designed customized subscription models to 10+ segments, ↑ ARPU by 15%			
Acknowledged as a key contributor to Edge logging , credited for enhancing system performance and reliability				
Data Governance	Enhanced data monitoring by 50% by engineering a Kibana and Elastic Search log-streaming container - Automated DevOps certificate renewal for SSL authentication with SSC, ↓ incident rate by 40% Boosted system efficiency by 20% and ↓ downtime by 15% by revamping logging with Serilog - Deployed visualization & analytics tools for real-time Edge monitoring, gaining 40% boost in issue detection			
POSITIONS OF RESPONSIBILITY				
VM, IIML '24	Facilitated on ground operations of 40th IIML Foundation Day sports tournament with a footfall of 800+ - Oversaw scheduling & maintained logistical requirements for 8+ sports events, decreased man-hr. by 10%			
Mentor, PS1925 '19	- Recruited & led team of 12 to design low cost PS1925 Drone prototype achieving 20% reduced manf. costs Boosted 2x viewership of Drone Workshop by implementing promotional strategy; Attracted footfall of 100+			
Member, Effervescence '18	Managed the hospitality of over 6 celebrities and political figures incl. Farhan Akhtar & Neeti Mohan			
Member, AMS Club '18	- Spearheaded the "Bluff Master" event, engaging 100+ students with active promotions on social media - Orchestrated the 'Blind Date' event, attracting a remarkable turnout of over 150 enthusiastic participants			
	- Edited and curated a collection of 200+ photos on social media, resulting in over 5000+ engagements - Orchestrated photography coverage for 10+ official institute events, exceeding 1100 total participants			
EXTRACURRICULAR ACTIVITIES				
Gold Medal/600+ in TAMA's International Youngest Photographer Competition, Cyprus				
Sports	Won the cricket championship in the ABB-OORJA tournament, triumphing over 34 teams - Earned Medal for the Spirit of Société Générale 2023 10K Marathon, with 1000+ participants Achieved 1st place out of 150 schools in the State Level Inter-School Kabaddi Competition			2024 2023 2012
Inter-School Competition	- Secured 2nd and 3rd place in three inter-school Essay Competitions, surpassing 110 students - Earned 2nd place among 150 participants in an inter-school English Elocution Contest			2013 2013
Social Work '23	Educated & mentored 50+ underprivileged children in grades 1- 4 across 3+ subjects, enhancing learning - Organized community cloth donation drive, engaging 80+ households and collecting over 1000 garments
