

EDUCATION				
Year		Degree	Institute	%
2024 - 2026		MBA	IIM Lucknow	-
2018 - 2021		Bachelor of Computer Application	VIPS (GGSIPU), Delhi	76.4
2018		XII (CBSE)	The Air Force School, Delhi	76.67
2016		X (CBSE)	The Air Force School, Delhi	8.2/10
ACADEMIC ACHIEVEMENTS & PROJECTS				
Scholarships & Accolades		Secured Scholarships worth Rs. 1.31L by IAF		Top 4%/5L to clear AFCAT 2022(1) by IAF
		Financial Assistance worth Rs. 76.5K from GGSIPU		9+ pointer in 20/46 & 10/10 in 4 UG subjects
ProMeat'24 (Live)		- Conducted market research for plant-meat products in MEA, benchmarking competitors on 5+ parameters Developed GTM strategy with optimal pricing and 5-year financial projections for market penetration Formulated customer acquisition and retention plans by analysing price sensitization & segmentation		
Covid Detector'20		- ML model to predict Covid-19 prob; analysed 15K+ data with 95% accuracy; reduced false negative by 30% Reduced consultation TAT by 25%, enhancing early virus detection, aiding doctors with initial patient analysis		
My OAuth'20		- Developed GitHub integrated authorization website, boosting app registration & ↓registration time by 30% - Implemented RBAC & 2-factor auth. to streamline security workflow, increase audit compliance by 10%		
Certifications		Fundamentals of Digital Marketing (Google)		Foundation of Project Management (Google)
WORK EXPERIENCE				
Software Engineer		Tata Consultancy Services, Pune		July '21 – June '24
POC for €175bn asset Finland Bank		Product owner for Infra Automation		Liaison for 7 firms (Google, Amazon etc)
Product Strategy		Spearheaded team of 7, reformulated app. database using scalable solutions reducing downtime by 60% Reduced latency by 30% & OpEx by 25% by designing 1 yr integration strat. for app communication syst. Charted 2-yr roadmap to update 80+ Google services to highest security compliance, ↓ response time by 25%		
Project Delivery		Increased API tranxn. capacity to 45k+ /day by version upgrade, facilitating dataflow for 50+ financial apps - Achieved 100% delivery as project lead for 10+ E2E sprints, monitoring 15+ KPIs on DevOps dashboard Led migration of 100+ apps to upgraded system, engaging 5 cross-functional teams, ↓tech backlog by 80%		
Authored 100+ Project requirement documents for 500+ users			1/300 to be recognized by VP & Global Head, HR	
Process Optimization		- Developed automation scripts for repetitive tasks, ↓ ops error by 25% & saving 50+ human hrs/month Boosted network efficiency by 15% for 300+ payment apps via traffic optimization, cutting cost by 10% Optimized load balancing across datacentres for 15k+ comm. channels, attaining 40% faster processing		
Stakeholder Management		- Curated 20+ app dashboard for 30+ stakeholders, enhancing service monitoring & ↓ customer effort by 40% Boosted efficiency by 20% for 10 stakeholders by streamlining comm. workflow b/w 50+ AWS cloud instances - Collaborated with 7 teams to mitigate 250+ potential security issues across 150+ servers via patch mgmt.		
Spot Award from Global Head HR		LOR from Tower Lead & Project Manager		Highest rated emp. for 2 cons. years
Capability Building		- Boosted team productivity by 30%, trained 6 employees across 40+ workshops (70+ hrs) in 7 tech stacks Reduced defect-occurrence rate by 60%, eliminated recurring failures by performing RCA on 150+ servers		
Customer Experience		- Integrated UI service to existing distributed system to increase user accessibility by 40% & CSAT by 60% - Resolved 2k+ tickets & 300+ escalations from high priority clients, with 98% success rate (20% YoY inc)		
POSITIONS OF RESPONSIBILITY				
Coordinator, Placement Cell'20		- Led placement drive of 15+ companies including TCS, Infosys, Deloitte for 100+ students (80% conversion) - Conducted 5 Q/A sessions & curated FAQs to ensure transparency; increased balanced score by 35% - Managed 10+ peer-interview sessions, 7 alumni workshops & PPT's, increasing conversion rate by 20%		
Lead Member, Cultural Fest'19		- Organised 10+ events under INITIO, annual fest with theme of “Best out of Waste” with 3K+ footfall 1/15 to lead creative dept; crafted 20+ eco-friendly props & 7 mkt. campaigns (boosting part. by 20%)		
Core Member, Tech Society'19		- Organized 7 tech events including 24-hr non-stop Hackathon with footfall of 2K+ across 15+ colleges - Conducted 10+ workshops to update students on latest trends in technologies attracting 1K+ students		
EXTRACURRICULAR ACTIVITIES				
Class Rep, BCA'21		- Elected among 20 candidates as Class Representative to liaise between students, administration & faculty - Handled scheduling for classes & quizzes, by coordinating with academic office to ensure 0% clashes SPOC for voicing student concerns, collated student feedback for monthly discussion with Dean, Profs		
Social Work	Medical	- Organized blood donation drive across 10+ villages with 500+ donors; co-ordinated with 3 hospitals - Conducted 10+ awareness sessions across 5+ districts; educated 300+ women about menstrual hygiene		
	Education	- Coordinated Digital Literacy Program for 100+ villagers; helping them onboard business on digital platform - Conducted 20+ mentorship sessions (50 hrs) across district Lalitpur, creating digital mktng. usage awareness
