

EDUCATION				
Year		Degree	Institute	CGPA/%
2024-26		MBA	IIM Lucknow	-
2020-21		Advanced Diploma (Mercedes - Benz)	Govt. Engg College, Thiruvananthapuram	78.90
2015-19		B.Tech Mechanical Engineering	Govt. Engg College, Thiruvananthapuram	84.00
2014-15		Class XII - CBSE	Arya Central School, Thiruvananthapuram	93.80
2012-13		Class X - CBSE	Alan Feldman Public School, Kazhakuttam	10/10
ACADEMIC ACHIEVEMENTS				
Patent holder for pioneering IC engine design & technology			Shell India's Technical Innovation National Award Winner	
Patent & Funding	▪ Granted patent by IP Authority, GoI for development of petrol engine with unique design			2023
	▪ Received funding of ₹2L+ from Kerala Govt. for novel prototype development of IC engine			2018
	▪ Performed comparative analysis of 5 engine metrics gaining 1.5x incr. in compression ratio			2019
Shell Eco Marathon, India	▪ Won Innovation Award by Shell; placed 3 rd /20 teams across India in ICE prototype category			2018
	▪ Engineered vehicle prototype running on petrol fuel & achieved 77 kmpl using 35cc engine			
Academic Excellence	Top 5%ile to secure 10/10 GPA in B.Tech Project		Top 3 grades in 35/65 subjects (GECB)	2019
	▪ Ranked in top 2 %ile/1.2L+ candidates in the State Engineering Entrance exam, Kerala			2015
Intern, Cochin Shipyard	▪ Conducted analysis of ops in 5 marine engg depts. identifying key efficiency improvements			2018
	▪ Derived 4 insights from data assessment & recommended process efficiency imp. by 10%			
WORK EXPERIENCE				
Senior Engineer		Acsia Technologies, Thiruvananthapuram		Oct '22 – May '24
Facilitated EV Launch in North America		POC for 2 Fortune 100 Automotive OEMs		Perf. rating of 4.5/5 (Top 5%ile)
Process Optimization	▪ Orchestrated 10+ agile sprints accelerating feature delivery by 25%; ensured 10+ on-time prod. releases			
	▪ Ideated & designed employee performance dashboard & boosted productivity by 30% using ALM tool			
	▪ Monitored defect trends, resolution time & delivered solutions to achieve 20% reduction in defect backlog			
Stakeholder Management	▪ Increased testing eff. by 25% by analysing sys. testing processes, automating & redefining 100+ test cases			
	▪ Liaised with 3 cross-functional teams in 2 geographies to fix 50+ defects, saved \$10K+ compliance cost			
	▪ Refined req. analysis of 10 features by pre-emptively identifying client needs & improved CSAT by 40%			
Capability Building	▪ Achieved 20% redn. in resolution TAT by launching 3 first-of-its-kind stakeholder comm. frameworks			
	▪ Curated functional primers for 6 feature groups & published in company's global portal; accessed by 1K+			
	▪ Mentored 10 new recruits & led 50+ hours of KT sessions, reducing new hire onboarding time by 40%			
▪ Analysed insights of task mgmt. of 20+ employees; reported to leadership & optimised resource allocation				
Developer I – Embedded Software		UST, Bangalore		Sep '21 – Oct '22
POC for telematics testing with 6 th largest automaker worth ~\$13Bn		Client appreciation for resolution of 100+ pain points		
Customer Engagement	▪ Executed 1K+ test cases to maximise post-release product perf. by 15%; delivered 10+ reports to client			
	▪ Created user stories & detected issues enhancing release cycle eff. by 30%; resolved 200+ JIRA tickets			
	▪ Established test benches with control units, reducing downtime by 20% by simulating client site scenarios			
Performance Improvement	▪ Designed 30+ wiring diags. from std. OEM layouts & met customer requirements with 95% accuracy			
	▪ Tested 40+ infotainment features on-site, ensuring 100% functionality compliance for Japanese OEM.			
	▪ Configured control units with 20+ S/W updates, formulated test plans & enhanced system perf. by 20%			
POSITIONS OF RESPONSIBILITY				
Empowered 600+ lives through 30+ transformative initiatives		Organized 10+ events generating ₹8L+ in sponsorships		
Inspire (NGO)	General Coordinator '16-'19	▪ Raised ₹2.5L+ with 10+ benefactors & provided 300+ school kits to shelter homes through fundraisers		
		▪ Coordinated with 50+ volunteers for cloth collection drive; donated 100kg+ clothes to 10+ old age homes		
		▪ Managed 2 annual charity events for orphanages over 3 consecutive years generating ₹5L+ sponsorship		
	Content Creator '16-'19	▪ Enhanced social media outreach across 3 platforms & contributed to 12% increase in followers YoY		
		▪ Convened 10+ events fostering connections with 20+ industry leaders & boosted participation by 30%		
		▪ Elevated viewership by 20% over 3 years through targeted messaging & creative social media campaigns		
Core Member, Mechanical Dept '15-'19	▪ Organized auto show garnering 1K+ spectators; showcased 30+ vehicles, generating revenue of ₹2L+			
	▪ Mobilized 1K+ participation for road safety awareness campaign in association with Kerala Police Dept.			
	▪ Allied with 2 international orgs; hosted 3 automobile workshops enlisting participation of 500+ students			
EXTRACURRICULAR ACTIVITIES				
Competed in Stage 1 of national motorcycle racing championship 2023 by KTM India (RC Cup)				
Endurance Sports	▪ Completed Golden Peak Half Marathon, featuring 21.5km distance & 1km+ elevation gain			2023
	▪ Ranked in top 10 out of 202 competitors in Men's Cross Country Marathon, Foundation Day			2024
	▪ Completed 40+ distance-based intl. virtual running & cycling challenges, hosted on Strava			2024
	▪ Ranked among top 10/1.6K+ athletes in time-based finishes, in 15+ official Strava segments			2024
Social Service	▪ Ideated making & delivery of 1K+ emergency power bank modules during Kerala Floods			2018
	▪ Mentored 300+ shelter home students through classes & workshops over 4 consecutive years			2015-19
