

EDUCATION			
Year	Degree	Institute	CGPA/%
2024-26	MBA	IIM Lucknow	-
2020-21	Advanced Diploma (Mercedes - Benz)	Govt. Engg College, Thiruvananthapuram	78.90
2015-19	B.Tech Mechanical Engineering	Govt. Engg College, Thiruvananthapuram	84.00
2014-15	Class XII - CBSE	Arya Central School, Thiruvananthapuram	93.80
2012-13	Class X - CBSE	Alan Feldman Public School, Kazhakuttam	10/10
ACADEMIC ACHIEVEMENTS			
Patent holder for pioneering IC engine design & technology		Shell India's Technical Innovation National Award Winner	
Patent & Funding	▪ Granted patent by IP Authority, GoI for development of petrol engine with unique design		2023
	▪ Received funding of ₹2L+ from Kerala Govt. for novel prototype development of IC engine		2018
	▪ Performed comparative analysis of 5 engine metrics gaining 1.5x incr. in compression ratio		2019
Shell Eco Marathon, India	▪ Won Innovation Award by Shell; placed 3rd/20 teams across India in ICE prototype category		2018
	▪ Engineered vehicle prototype running on petrol fuel & achieved 77 kmpl using 35cc engine		
Academic Excellence	Top 5%ile to secure 10/10 GPA in B.Tech Project		2019
	▪ Won 1st position/100+ participants in zonal level automobile technical paper presentation		2018
	▪ Ranked in top 2 %ile/1.2L+ candidates in the State Engineering Entrance exam, Kerala		2015
Intern, Cochin Shipyard	▪ Conducted analysis of ops in 5 marine engg depts. identifying key efficiency improvements		2018
	▪ Derived 4 insights from data assessment & recommended process efficiency imp. by 10%		
WORK EXPERIENCE			
Senior Engineer		Acsia Technologies, Thiruvananthapuram	Oct '22 – May '24
Facilitated EV Launch in North America		POC for 2 Fortune 100 Automotive OEMs	Perf. rating of 4.5/5 (Top 5%ile)
Stakeholder Management	▪ Optimized compliance cost by \$10K+, liaising with 3 cross-functional teams in 2 geos; fixed 50+ defects		
	▪ Achieved 20% redn. in resolution TAT by launching 3 first-of-its-kind stakeholder comm. frameworks		
	▪ Orchestrated 10+ agile sprints accelerating feature delivery by 25%; ensured 10+ on-time prod. releases		
Process Optimization	▪ Increased testing eff. by 25% by analysing sys. testing processes, automating & redefining 100+ test cases		
	▪ Monitored defect trends, resolution time & delivered solns. to achieve 20% reduction in defect backlog		
Capability Building	▪ Ideated & designed employee performance dashboard & boosted productivity by 30% using ALM tool		
	▪ Curated functional primers for 6 feature groups, published in company's global portal accessed by 1K+		
	▪ Mentored 10 new recruits & led 50+ hours of KT sessions; reduced new hire onboarding time by 40%		
Developer I – Embedded Software		UST, Bangalore	Sep '21 – Oct '22
POC for telematics testing for 6th largest automaker worth ~\$13Bn		Client appreciation for resolution of 100+ pain points	
Performance Improvement	▪ Ensured 100% functionality compliance by testing 40+ infotainment features on-site, for Japanese OEM		
	▪ Configured control units with 20+ S/W updates, formulated test plans & enhanced system perf. by 20%		
	▪ Designed 30+ wiring diags. from std. OEM layouts & met customer requirements with 95% accuracy		
Customer Engagement	▪ Executed 1K+ test cases to maximise post-release product perf. by 15%; delivered 10+ reports to client		
	▪ Created user stories & detected issues enhancing release cycle eff. by 30%; resolved 200+ JIRA tickets		
	▪ Established test benches with control units, reducing downtime by 20% by simulating client site scenarios		
POSITIONS OF RESPONSIBILITY			
Empowered 600+ lives through 30+ transformative initiatives		Organized 10+ events generating ₹8L+ in sponsorships	
Inspire (NGO)	General Coordinator '16-'19	▪ Conceptualized & strategized “Gothrathalam Project” aimed at educating children in slums & tribal areas	
		▪ Raised ₹2.5L+ with 10+ benefactors & provided 300+ school kits to shelter homes through fundraisers	
		▪ Coordinated with 50+ volunteers for cloth collection drive; donated 100kg+ clothes to 10+ old age homes	
		▪ Managed 2 annual charity events for orphanages over 3 consecutive years generating ₹5L+ sponsorship	
	Content Creator '16-'19	▪ Enhanced social media outreach across 3 platforms & contributed to 12% increase in followers YoY	
		▪ Convened 10+ events fostering connections with 20+ industry leaders & boosted participation by 30%	
		▪ Elevated viewership by 20% over 3 years through targeted messaging & creative social media campaigns	
Core Member, Mechanical Dept '15-'19	▪ Organized auto show garnering 1K+ spectators; showcased 30+ vehicles, generating revenue of ₹2L+		
	▪ Mobilized 1K+ participation for road safety awareness campaign in association with Kerala Police Dept.		
	▪ Allied with 2 international orgs; hosted 3 automobile workshops enlisting participation of 500+ students		
EXTRACURRICULAR ACTIVITIES			
Competed in stage 1 of national motorcycle racing championship 2023 by KTM India (RC Cup) at Kari Motor Speedway			
Marathons	▪ Completed Golden Peak Half Marathon featuring distance of 21km & 1km+ elevation gain		2023
	▪ Ranked in top 10 out of 202 competitors in Men's Cross Country Marathon, Foundation Day		2024
Sports	▪ Completed 40+ distance-based intl. virtual running & cycling challenges, hosted on Strava		2024
	▪ Ranked among top 10/1.6K+ athletes in time-based finishes, in 15+ official Strava segments		
Social Service	▪ Ideated making & delivery of 1K+ emergency power bank modules during Kerala Floods		2018
	▪ Mentored 300+ shelter home students through classes & workshops over 4 consecutive years		2015-19
