

EDUCATION				
Year	Degree	Institute	%	Rank
2024 - 2026	MBA - ABM	IIM Lucknow	-	-
2017 - 2021	B.Tech in Chemical Engineering	NIT Surat	77.5	-
2017	Gujarat HSC Board	Shree Narayan Vidyalaya	91.04	IR 2
2015	Gujarat SSC Board	Bal Bharti Vidyalaya	87.88	IR 1
ACADEMIC ACHIEVEMENTS				
99.45%ile/10L+ in Class X		Top 1%ile/1.38L+ in Class XII	ISCEA Lean Six Sigma Green belt	
Academic Excellence	▪ Scored 98.41%ile among 2.67L+ candidates in Gujarat Common Entrance Test by GSEB			2017
	▪ Excelled in Primary School and ranked Top 3 scholar for 10 consecutive years among 100+			2015
Perfect score of 100 in 1 st Term of Gujarat Board XI Physics		Avg of 94.33/100 in PCM in Gujarat Board across 4 Terms		
Business Project FnB	▪ Developed Business model , conducted market research upto 10+ steps for FnB industry ▪ Devised unique procedure leading to estimate ~ ₹63.56 Cr annual revenue for Sugar business ▪ Designed equipment, optimized supply chain & achieved breakeven in 2 years for Sugar			2021
Certification	▪ Certified Six Sigma Green Belt with ISCEA , grasped DMAIC approach and lean strategies			2024
Financial Modelling	▪ Created E2E Financial Modelling , Projected Company's 3 yrs financials, Capex Modelling ▪ Valued HeroMoto rating with target price of Rs 6150 via DCF, EV/EBITDA & P/E			2024
Internship IOCL	▪ Selected among 5 out of 95+ students to get internship into IOCL Gujarat Refinery Vadodara			2020
WORK EXPERIENCE				
Production Officer		Galaxy Surfactants Limited, Jhagadia		Jul '21 – May '24
Youngest to become Shift Incharge		₹5Cr+ increase in profit of 2 processes	LOR from Deputy Plant Incharge	
Business Development	▪ Delivered 2 speciality chemicals to 50+ clients including Unilever, P&G boosting clients portfolio by 10% ▪ Spearheaded 2 production lines yielding 2500MT goods with 90% QA rate, generating ₹62.5Cr revenue			
Process Improvement	₹3.2Cr+ cost saving by reprocessing residuals		Increased 15% productivity using TPM methods	
	▪ Resolved bottleneck by ideating filter method to reduce 80% downtime , decrease 120 ideal manhours ▪ Automated plant controlling system by 90% , streamlined process resulting increase of OEE by 20%			
Energy Optimization	▪ Realized ₹18L+/yr savings by optimization of pressure setpoints in cooling water pump resources			
	▪ Utilized waste heat energy of steam to prevent boiler corrosion by recycling hot water , saving ₹7.4L/yr ▪ Implemented automatic on/off valve technique to reduce batch cycle time, saving 10% energy/batch			
Achieved 2x throughput by Capacity Expansion project		Recycled ~1800 kg RM reducing 15% cost/batch		
Leadership & Training	▪ Led a team of 40+ diploma and ITI operators responsible for Safety and Quality of 2 production lines ▪ Devised training documents to boost skills & streamline onboarding for 30 operators & 12 engineers			
Risk mitigation and strategy	▪ Revamped 50+ SOPs to refine Risk Management and Traceability decreasing rate of incidents by 30%			
	▪ Identified 40+ process deviations by RCA & implemented Corrective Actions & Preventive Measures ▪ Achieved 200+ incident-free days via Risk Mitigation during commissioning of new expansion project			
POSITIONS OF RESPONSIBILITY				
Coordinator, E & T GSL '24	Conducted 150+ hours training of 2 processes		Mentored 8 GETs & 25 Operators of 5 depts	
	▪ Contributed upto 4 steps to introduce Education & Training system CUDBAS (Japanese methodology) ▪ Prepared 100+ training documents by implementing strategies & reducing customer churn rate by 25%			
Member, Hospitality committee '19	▪ Streamlined check-in and guest assistance by managing 10+ VIP services with a total of 3500+ footfall			
	▪ Directed setup and logistics, optimizing 5+ events by managing 20+ resources & reducing delays by 30% ▪ Troubleshoot 3 Guest Session Challenges & managed last-minute logistics by smooth event execution			
Member, Infrastructure committee '20	▪ Led a team of 25+ to expediate project delivery by meeting 5+ client satisfaction and project objectives			
	▪ Managed a ₹5 lakh event budget , ensuring 100% of expenses stayed within predefined allocated limits ▪ Collaborated with 5+ teams to manage stakeholder relations, enhancing 25% Project Approval Rates			
EXTRACURRICULAR ACTIVITIES				
Awards	▪ Won 2nd prize out of 26 group entries for Stage 4 of Anti – Purgatory challenge at IIM L			2024
Cricket	▪ Secured 2nd place/15 teams in T10 tournament organised by Galaxy Surfactants Limited			2022
SAJAG, Bird Conservation Society	▪ Treated 100+ injured birds , organized 15 bird care stations, improving recovery rates by 25%			2022
	▪ Initiated donation drive via social media, raising funds, increasing 30% volunteer sign-ups			
	▪ Educated 100+ community members , resulting 40% increase in local rescue awareness
