		▪ Secured Nat'l rank 556 in KVPY exam & entitled to ₹ 3L government fellowship scholarship							2014
Competitive Exams		CAT	99.54%ile (99.91%ile DILR)	'23	GRE	326/340 (168/170 in quant section)			'23
		JEE Mains	Nat'l rank 824/12.3L students	'15	JEE Adv.	Nat'l rank 3491/1.2L+ students			'15
		NSE Phy.	Nat'l top 1%/37K+ students	'14	NSE Chem.	Certificate for Maha. state top 1%			'14
Awarded \$3K research scholarship at Purdue University, 2019					MTech thesis: AI & drone for high-speed tracking; 9.4 CGPA				
Internships	American Express,'18	▪ Attained PPO for integrating complex demographic data (100K users) in current model for fraud detection							
	Samssara Capital,'17	▪ Implemented cutting-edge trading algorithms using technical indicators, Twitter sentiment, & ML models							
▪ Devised pairs & momentum strategies with avg. returns of 150% over 6 years and -11.6% max drawdown									
STARTUPS & WORK EXPERIENCE									
Management Director				Kadam Hospital				Jan '23 – Mar '24	
Operations Management		▪ Founded clinic with focus on revenue optimization & attained revenue of Rs.3L+ /mo. within the 3 months							
Digitization		▪ Optimized supply chain, reducing procurement costs by 15% & improving inventory turnover by 20%							
		▪ Devised appointments & AI enabled EHR dashboard with 30K entries, reducing patient wait times by 15%							
Founder and Director		▪ Catalogued 5K medications, optimizing billing & reducing manual effort by 30% to increase revenues by 2X							
		Motodb Pte Ltd				Nov '21 – Jan '23			
Single handedly raised \$700K+ in funding (HNIs & market making capital)					Won grants of \$185K+ from blockchains				
Customer Insights		▪ Identified & addressed needs of 1M low-income drivers by developing Web3 platform to monetize their data							
Product Development		▪ Analysed driving behaviour info., identifying key needs & preferences of users from 5K+ km driving data							
		▪ Developed BRD, headed team of 18 developers, designers for global beta launch of mobile application							
		▪ Integrated dashboard with hardware data, trip generation through app & OEM APIs, piloted 100+ hardware							
GTM		▪ Reduced development time by 25% through improved user flow by through 50+ screens in wireframes							
		▪ Led 10 in developing & launching new website & whitepaper, launched NFT sale leading to \$35K revenue							
Chief Technology Officer (CTO)		▪ Partnered with hardware manufacturer & \$200M car data company to generate rich driving trip data of users							
		Rodella Aerospace Labs				Jun '20 – Oct '21			
Stakeholder Management		▪ Established drone facility with \$50K grant (Ministry of Home Affairs) to boost India's defence self-reliance							
Manufacturing Facility		▪ Created 2.1m wingspan AI-enabled autonomous drone with swarming functionality, directing 3 engineers							
		▪ Implemented advanced 3D printing techniques, systems, resulting in 20% cost & 30% lead time reduction							
		▪ Streamlined composite material processes, enhancing drone durability & 40% increase performance metrics							
		SOCIAL & EXTRACURRICULAR ACTIVITIES							
Coordinator Mechanica'17		▪ Procured sponsorship of Rs. 80K+ from Alstrut & EISystems; organized workshop with 100+ participants							
		▪ Coordinated with 3+ teams to ensure successful organization of Mechanica tech fest with 20K+ footfall							
Social Work	Healthcare Initiatives	Sponsored Rs.50L+ in expenses of 100+ mothers			15+ camps for asthma, ANC, CA breast, impacting 3K+				
		▪ Conducted health checkup, counseling & vaccination camps for 5000+ students at 20+ schools							2023-24
		▪ Blood Bank, Satara: Hosted 50+ blood donation camps at colleges, collecting 500+ blood units							2019-23
	Community Aid	▪ Executed 10+ Health checkup & stress management camps for workers & students, aiding 1K+							2022-24
▪ Probation & Child care: Managed 40+ donation & health check-up camps, impacting 200+ children							2023-24		
Competitions		▪ RNTCP: Participated in active case finding via government project to fight AIDS, TB & Malaria							2016-18
		▪ Participant in cross country marathon, lawn tennis & powerlifting competitions, Foundation Day							2024
Spotlight Moments		▪ Won \$35K by placing 2nd among 40+ startups in Nat'l level blockchain accelerator bootcamp							2021
		▪ Esteemed keynote speaker at alma mater, enlightening 200+ students on future opportunities							2024
		▪ Wrote, directed & acted in 3 act Hindi play & 4 act English play in front of 1000+ audience							2009-12
