ACADEMIC ACHIEVEMENTS					
JEE Mains- top 2%ile out of 12.07lakh+ candidates			3 Resource optimization projects		
Scholastic Excellence		B.Tech : Secured top 3 letter grades in 37/64 subj. Class XI- state 7 th mark/4.6lakh+ students	EAMCET-top 4%ile/2.9lakh+ candidates Class X- top 1%ile/5.62lakh+ students		
Acad.Proj.	Sustainable Dev.	▪ Devised carbon extr. worth ₹11.25Cr/Mt from 1.8L Mt/yr bio-waste to leverage adsorption tech.	2020		
		▪ Proposed raw material cost savings of ₹60+ Cr/year via concrete waste re-cycling methods	2019		
		▪ Ideated carbon negative technologies, resulting in avg. potential reduction of 75k Mt/yr CO ₂	2018		
	Design	▪ Budgeted & performed HAZOP analysis for a chemical mfg plant of 50K Mt/yr capacity	2019		
		▪ Mapped value chain industrial mfg. process of 1L Mt/yr EG and designed storage tanks	2017		
Intern	ONGC	▪ Authored report on natural gas sweetening technique identifying catastrophe causing factor	2018		
	HPCL	▪ Performed an in-depth analysis of process flow & unit operations involved for Sox reduction	2018		
Certifications		▪ Certified Six Sigma Green Belt with ISCEA, trained in implementing lean strategies & DMAIC	2024		
WORK EXPERIENCE					
Project Executive		Godrej Industries Limited (Chemicals), Gujarat		Oct'20 – Jul'22	
Realized Net cost saving of ₹8 Cr		Executed 2 Brown field projects worth ₹50 Cr	SPOC for 50+ stakeholders		
Operational Strategy		▪ Boosted top line by ₹20+Cr p.a. & increased total capacity 3x via chronic design bottle necks elimination ▪ Generated ₹16 Cr p.a. revenue by commissioning 200MT/yr bio-surf. Plant & coordinating with 15 CFTs			
Project Management		▪ Spearheaded ₹34 Cr worth procurement & installation & liaised with 50+ vendors and 11 departments ▪ Achieved TAT reduction of 30% & led a team of 8 engineers, managing end-to-end project execution ▪ Facilitated data-driven decision making through should-cost analysis and time & motion study			
Process Enhancement		▪ Attained 33% reduction in batch cycle time, by deploying advanced technology via cost-benefit analysis ▪ Increased productivity by 30%, reduced mech. cutting time by 40% via implementing plasma cutting tech. ▪ Improved process efficiency by 35% through batch process overhaul & 5 critical design level changes			
Cost Optimization		▪ Enhanced asset utilization by 35%, procurement cost reduction by ₹55L via enforcing Kaizen mechanism ▪ Redesigned process flow, mitigating man-power req. by 20%, energy & material consumption by 25% ▪ Realized budget savings by 15%, engaging clause negotiations with 9 clients & improving lead time by 20%			
POSITIONS OF RESPONSIBILITY					
Represented 500+ stakeholders in 2 leadership roles		Managed 6 events with a total footfall of 4.5k+
