

EDUCATION					
Year		Degree	Institute	%/CGPA	
2024 - 2026		MBA	IIM Lucknow	-	
2016 - 2020		B.Tech in Information Technology	NIT Allahabad	8.61/10	
2014 - 2016		HSC (Telangana State Board)	Sri Chaitanya Junior Kalasala, Hyderabad	98.50	
2013 - 2014		SSC (Maharashtra State Board)	Mother Teresa English High School, Ak.Balapur	90.83	
ACADEMIC ACHIEVEMENTS AND PROJECTS					
Competitive Exams		Top 1% in 11.5 lakh in JEE Mains Examination	District 2 nd in HFI Talent Search Examination		
		Top 2% in 1.35 lakh in DM in XAT 2024 Exam	Top 5.04% in 2.88 lakh in CAT 23 Examination		
Top 2% out of 1.82 lakh in Aurangabad division in SSC			100% marks in 4/6 subjects in Intermediate 1 st year		
Academic Exams		▪ Excelled consistently with 8+/10 grades in 60/69 courses in under grad. at NIT Allahabad			2020
		▪ Landed Samsung summer internship by being in top 3% in 170 peers at NIT Allahabad			2018
		▪ Accomplished 99/100 marks in 3/6 subjects in SSC Maharashtra State Board Examination			2014
Projects	Adaptive Streaming	▪ Enhanced client video player streaming quality by 40% via implementing adaptive network protocol			
		▪ Configured protocol over Software Defined Network and boosted network admin efficiency by 80%			
	Data Classifier	▪ Designed and developed ML classifier for live net. traffic, minimizing network average latency by 20%			
		▪ Engineered workflow, transforming 2 captured data files into training data set for ML classifier model			
WORK EXPERIENCE AND INTERNSHIP					
Software Development Engineer		Amazon, Hyderabad		Oct '21 – Oct '22	
5+ delivery support services in 4+ marketplaces			Saved ~\$450K by optimizing cloud infrastructure		
Product Strategy		▪ Designed UI using 5+ wireframes, optimizing issue resolution time by 51% for 2.75 lakh delivery partners			
		▪ Reduced 48% pkg. delivery time by streamlining data input by developing 2 structured navigated workflows			
		▪ Led service expansion into 3 new regions (20% mkt reach) by collaborating with 3 cross functional teams			
Tech-Driven Innovation		▪ Standardized inter service comm. by adding new integration layer, amplifying team efficiency by 45%			
		▪ Strengthened service reliability by 25%, devising real-time AWS based monitoring system using 8 metrics			
		▪ Optimized information retrieval system by consolidating 2 APIs, slashing maintenance costs by 60%			
System Optimization		▪ Saved 57% customer impact by executing server upgrades across 3 time zones in agile environment			
		▪ Optimized QA by covering untested 7+ features with testcases, elevating UI/UX code coverage by 30%			
Senior Engineer		Samsung, Bengaluru		Aug '20 – Oct '21	
Product Ideation		▪ Implemented parallel processing feature of software for memory division, improving throughput by 65%			
		▪ Saved 40+ man hours by piloting testing setup deployment & by co-ordinating with 7+ stakeholders			
		▪ Lowered product analysis and dev. time by 40% by performing delegation and feature prioritization			
Quality Assurance		▪ Developed 5 SSD driver features and conducted testing & debugging, boosting driver stability by 35%			
		▪ Introduced automated coverage system, yielding 30% improvement in code quality via code refinement			
		▪ Achieved 90% defect reduction by applying validation procedures adhering to software compliance			
Secured a PPO at Samsung by implementing 100% of requested features and surpassing milestones by 30%					
Customer-centric Solutions		▪ Achieved 90% CSAT metric by driving product ownership with 100% success rate in all SDLC stages			
		▪ Restructured code generation framework by automating redundant edits, improving cycle time by 70%			
		▪ Attained 50% decrease in config. change time by designing E2E network modem testing interface			
		▪ Spearheaded 95% developer coding effort reduction through Python powered code generation method			
POSITIONS OF RESPONSIBILITY					
CSR, Samsung '20		25% ↑ in community participation via 5+ NGO's	500+ trees plantation via drives engaging 100+ emp.		
		▪ Set up annual blood donation camp for 200+ donors at Samsung by collaborating with NGO & hospital			
Project Leader, CSE Dept. '20		▪ Fostered collaboration & boosted efficiency by 20%, aligning roles based on core strengths of members			
		▪ Led team remotely during covid-19, completing project 20% ahead of schedule with 50% less resources			
Club Head, Dance Club '20		▪ Managed a budget of Rs 20K for the dance event at annual cultural festival, comprising footfall of 2.4K			
		▪ Saved 15% cost for Culrav '19 Dance Club budget by negotiating with 3+ vendors of costumes and props			
		▪ Performed and Directed 20+ dancers for a 15 min performance, engaging an audience of 2.5K people			
Captain, Sports '14		▪ Improved team ranking to 1 st from 5 th by heading school cricket team to regional championship for 3 yrs.			
		▪ Led the school football team for 2 years leading a squad of 20+ players, ↑ win rate to 60% from 40%			
EXTRACURRICULAR ACTIVITIES					
Sports		▪ 1 st out of 100 in 200m sprint at school level	▪ 1 st out of 100 in 200m sack race at school	2014	
Cultural		▪ Ranked 2 nd among 15 in folk dance, winning prize of Rs.15K, performed for audience of 2.7K			2017
		▪ 1 st in Drawing among 100+ participants for 3 consecutive yrs. at annual School Art Festival			2012-14
Accolades		▪ Secured 1 st rank in annual vocation speech contest for straight 2 yrs. beating 80+ competitors			2013-14
		▪ Won 1 st in science exhibition (100+ entries) at school for cost-effective solar traffic lights			2014
