

EDUCATION				
Year		Degree	Institute	CGPA/%
2024 - 2026		MBA	IIM Lucknow	-
2017 - 2021		B. Tech in Mechanical Engineering	Delhi Technological University	8.47/10
2015 - 2016		Class XII, CBSE	Hamdard Public School	90%
2013 - 2014		Class X, CBSE	Sona Modern Public School	10/10
ACADEMIC ACHIEVEMENTS				
Class X: Obtained Top 0.1% out of 13L+		2 LORs for scholarship from professors		Talent Aptitude Test 2014: Rank 15/1k
Scholastic Achievements		- Scored grade A & above in 42/48 subjects in DTU, Outstanding grade in 7 & A+ in SCM, Python DSA - Secured Institute Rank 2 among 150+ students in Physics & Chemistry in Class XII CBSE board exams		
Internships	DRDO , 2019	- Developed automatic number plate recognition (ANPR) system, reduced defence manual monitoring by 60% - Achieved 89.6% accuracy in detecting civilian vehicles by training model with 1k+ number of vehicle pictures		
	DTU, 2020	- Optimized composite mfg. process using AI, reduced prodn time by 20% & enhanced surface finish by ~15% Fine-tuned 9 alloy-mixing system parameters, enhancing material strength to reduce overhead cost by \$300		
SCI Published Research with 17+ citations & 400+ captures cumulatively; presented to 500+ academicians from 10+ countries				
IEEE Xplore, 2021		JER, 2021		Materials Today, 2021
Classified airplane engine longevity using ML with 26 parameters giving 81% accuracy		Reduced tool wear by 20% by optimizing alloy welding using ANOVA+2 methods		Proved that threaded alloy tool offers 1.8x stress absorption, doubling life to 100 hrs
WORK EXPERIENCE				
Senior Analyst – AI & Data		Accenture, Gurugram		Jun '21 – Jun '24
India SPOC for \$20.2Bn US CPG client		\$1Bn cost saving by automation & cloud		Excellence award recipient from client
Digital Transformation		- Automated fine receipt collection for 10+ customers, saving 40 person-hours/month; boosted compliance by 25% Wireframed migration strategy to cloud for scalability & cost saving, improving process efficiency by ~93% - Developed 200+ scripts to enhance data governance for F500 FMCG client, ensured 100% GDPR compliance		
Leadership Initiatives		Presented performance metrics, driving 20% increase in project approvals 15% boost in client satisfaction - Led 15+ meetings with clients, improving stakeholder alignment by 30%+ & accelerate decision-making process - Conducted 3 cross-skill sessions for 40+ employees, relayed 6 hrs of training to increase billable hrs by 100+		
Cloud Strategy		Built cloud framework for client's APAC region, cutting infra costs by ~40% & 50%+ boost in deployment agility - Architected cloud solutions for client, reducing downtime by 40% & improving system performance by 60%		
Firm Contributions		- Optimized data processes to enable real-time insights, contributed to 15% increase in sales via faster decisions - Streamlined hiring process by interviewing 25 out of 200+ applicants, resulting in 3/5 recommended hires		
1/40 to get fast track promotion at 24 vs 36 month at level		Granted monetary rewards worth \$700 from senior leadership		
Awards & Recognition		- Awarded with the Tech Star award for achieving Top 1%/700k global talent & mentoring the new joiners - Received Accenture Celebrates Excellence award in 2/3 consecutive years for timely project delivery to client		
POSITIONS OF RESPONSIBILITY				
Managed blood donation camp in campus collecting 200+ units		Innovated college e-social fest with \$3k budget during COVID		
<i>General Secretary, NSS-DTU, 2020-21</i>		- Facilitated 10+ on-field community service initiatives, mobilizing 200+ volunteers for service of 1000+ hours - Supervised team of 50 volunteers, impacting 100+ children through teaching & juvenile rehabilitation efforts Coordinated week-long rural camp with 20 volunteers to install solar lamps & set up 500+ books library		
<i>Organizer, Conference'17</i>		Organized int'l conference catering to 400+ academicians & students from 20+ colleges across 4+ countries - Led team of 10 to manage logistics handling 30+ stakeholders, reduction in operating costs by 20% YOY		
<i>Coordinator, Kartavya'21</i>		- Catered to 1500+ participants in 8 events including case competitions showcases, \$500 cash prizes for winners - Directed 30+ members to organize fest of 10 events, collaborated with 4+ NGOs to raise social awareness		
EXTRA-CURRICULAR ACTIVITIES				
Social Impact	Accenture CSR	Contributed 30k steps to Empower Run campaign, aiding plantation of over 200 & directly planting 3 trees - Provided guidance inviting professionals from 5+ domains to empower 40 Class XII students for IT career		
	Yes Foundation	Selected in 2/500 to work with NGO MHIMC SEO fellowship 500/10k+ applicants nationwide Conducted outreach campaign to raise awareness about newborn & maternal health across 20+ households - Crafted & executed social media strategy for NGO, boosting Instagram followers by 50% in 2 months		
Certificates		- Certified as a Professional Data Engineer by Google Cloud (2021 and 2024), 1st to pass in a cohort of 100+ - Accredited by Google Cloud as a Cloud Digital Leader (2024) for being accustomed to 90+ service ecosystem
