

EDUCATION				
Year	Degree	Institute	CGPA/%	Institute Ranks
2024-2026	MBA	IIM Lucknow	-	-
2016-2020	B. E. Electrical Engineering (BEE)	Jadavpur University	9.7	IR 1 (Gold Medallist)
2015-2016	12 th - West Bengal Board	The Scottish Church Collegiate School	95.8%	IR 2/200+ students
2013-2014	10 th - West Bengal Board	The Scottish Church Collegiate School	96.3%	IR 1/250+ students
ACADEMIC ACHIEVEMENTS & INTERNSHIPS				
Ranked 9/10.5 Lacs+ (10 th) and 8/7.8 Lacs+ (12 th) in State – Felicited by Govt. of West Bengal				
Scholastic achievements	UG: 1/120+ consecutively for 4 years in BEE		Class 1-12: Top 3/200+ students in school	
	Class 11: Award of Excellence for Ranking 1/200+		Class 12: Award of Excellence for Ranking 2/200+	
Competitive Exams	JEE MAIN'16: Top 99.59%ile/12L+		WBJEE'16: Top 99.85%ile/1.27 L+	
	PGDBA'24 (Gen): Ranked 29		JMMC All Bengal Maths Exam'11: Ranked 16	
Intern CESC Limited '19	- Developed remote health monitoring system roadmap for 9000+ power and distribution transformers - Designed dashboard with 10+ KPIs, boosting reliability & utilisation of assets on the network & the grid			
Certifications	Management Development Programme, XLRI '22		Power Distribution Technology, IIT Kharagpur '24	
WORK EXPERIENCE				
Distribution Engineer		CESC Limited, RP-SG Group, Kolkata		Nov'20-Jun'24
Technical & financial audit of 10 SBUs		Published 7 research papers	Conducted 15+ trainings for field operators	
Control Room Operations	- Supervised power supply to 35L+ consumers, analysing 10+ real time metrics, reduced interruption by 18% - Designed & managed network infrastructure projects worth ₹16 Cr+, stressing cost-effective capex allocation - Led 50+ emergency response efforts during failures and crisis, ensuring rapid resolution and minimal impact - Single-handedly managed 3 vendors for timely, end-to-end delivery of electrical assets worth ₹12 Cr+			
Technology Integration	- Reduced network faults by 37% by disseminating drone-based surveillance of overhead power networks - Steered integration of rooftop solar systems for 500+ prosumers, achieving 30MWp+ generation capacity - Successfully rolled out 8 new technologies including automated changeover system for 50+VIP consumers			
Cost Saving through innovation	- Expedited innovation systems for digitising business processes, led to YoY reduction of man-days by 40% - Improved quality of restoration jobs through remote job supervision system, optimising 14% YoY revenue - Devised specifications for electrical equipment to reduce energy losses, saving operational expense by 20%			
Received KUDOS prize for representing CESC Ltd at IEEE			Received ICC Impact Innovation Award for Discoms	
Research & Publications	- Published paper in International Journal (IEEE Xplore) on digitalising the monitoring system for transformers - Designed an IoT based system for proactive maintenance of assets (power transformer) worth ₹15 Cr+ - Selected 1/150+ to showcase papers in national level conferences, like ISGF '23, CBIP conference '22			
Regulatory analysis & Patents	- Assisted in application filing, FER response submission and countering objections for 2 process patents - Prepared impact reports of 10+ govt. regulatory frameworks, conveying potential effects to senior mgmt.			
POSITIONS OF RESPONSIBILITY				
Design Team Lead, Tech Carnival, CESC Ltd. '23	Team Leader of 15	Managed budget of ₹2L+	Coordinated with 7+ stakeholders	
	- Ranked 2nd among 25+ departments and attracted over 2000+ footfall from 6+ national organisations - Produced engaging presentations, designed innovative stall layout, arranged technical exhibits for 8 projects			
Event Lead, Tech Fest, JU '19	- Led a team of 4 in executing a technical event, overseeing event design and construction of prototypes - Coordinated with judges, managed event logistics, attracting 200+ participants from 10 national institutes			
	- Selected 1/10 as School Prefect for 3 consecutive years, overseeing coordination among 1800+ individuals - Facilitated liaison b/w faculty, administration & students for academics, competitions, outbound activities			
EXTRACURRICULAR ACTIVITIES				
Filming	Directed a short memoir effectively capturing UG experiences, achieved 400+ views on Facebook			2020
Quizzing	Selected from 250+ to represent school in Inter School quiz competition by Indian Institute of Metals			2015
	Secured rank 1/200+ in quiz competition on Environment & Biodiversity by CEMPD, Kolkata			2010
Completed 2 courses in Singing (Rabindra Sangeet Vocal) in 1 st division from Pracheen Kala Kendra, Chandigarh				
Social Work	Appeared as scribe for blind candidate- exam organised by National Association for the Blind			2012
Fine Arts	Completed 5 courses in Fine Arts (painting) from All India Fine Arts Association in 1st division			2006-11
	Achieved 1st division in 5 courses in Recitation (Bengali) from All India Fine Arts Association			2004-09
