

EDUCATION				
Year		Degree	Institute	%
2024 - 2026		MBA	IIM Lucknow	-
2018 - 2022		B. Tech in Mechanical Engineering	NIT Tiruchirappalli	8.02/10
2018		Class XII (BIE Andhra Pradesh)	Sri Chaitanya Jr. College, Vijayawada	97.90
2016		Class X (BSE Andhra Pradesh)	Little Scholars EM H S, Y.S.R District	9.5/10
ACADEMIC ACHIEVEMENTS & INTERNSHIPS				
Competitive Exams		99.75 %ile / 10.43L+ candidates	International Rank of 86	99.63 %ile / 1.9L+ candidates
		JEE MAIN 2018	IMO 2013	EAMCET 2018
		▪ Ranked among top 10%ile twice in National Mathematics Talent Contest organized by AMIT		
Scholarship		▪ Awarded a meritorious scholarship of ₹1.6L from ‘FFE’ for academic excellence in JEE ‘18		
Certifications		▪ Successfully completed programming course in Python from University of Michigan - Coursera		
Intern	Product Dev	▪ Developed an automatic sewage disposal system with a robot that extracts trash at 50 kg/hr		
	Research	▪ Reduced robot weight by 20% via redesigning body structure, leading to better performance		
		▪ Validated experimental results of a ‘Gas Turbine’ for thesis paper published in ScienceDirect		
Acad Project		▪ Tested PCB with 20+ different structures, 4 parameters & enhanced its life expectancy by 25%		
WORK EXPERIENCE				
Executive Engineer		United Breweries Limited, Hyderabad		Jul '22– Jul '24
Plant operations – Team lead		SPOC for plant maintenance of ₹7.5Cr/yr		Kaizen winner/28 teams
Business Excellence		▪ Led a cross functional team of 27 to handle operations of largest brewery in India with 85Cr bottles/yr		
		▪ Optimized critical inventories of 400+ machines, yielding to reduction in spares procurement by ₹1.5Cr		
		▪ Negotiated with 20+ OEMs to enforce AMC in operations, leading to reduction in plant downtime by 35%		
Operational Excellence		▪ Initiated the installation of IoT-based sensors in malt silos to mitigate raw material spillage & saved ~₹30L		
		▪ Identified deviations in 2 operational KPI's, devised action plans & brought KPI's within limit in 3 wks		
		▪ Achieved unprecedented production of 30Mn+ beer cases by minimizing maintenance from 5 to 3 d/mo		
Sustainability Initiatives		▪ Led a ₹28Cr ‘Zero Liquid Discharge’ project , first of its kind in India, & achieved goals within 4 Months		
		▪ Expanded effluent treatment capacity by 80% via reactor revamping, saving ₹2.4Cr by using less fresh water		
2 Accolades for best employee & best GET		Fast-track promotion to ‘Grade 9’ in 22 mos (against average of 48 mos)		
Cost Optimization		▪ Saved ₹1.4Cr by reducing electricity usage in beer refrigeration by eliminating losses & optimizing parameters		
		▪ Enhanced thermal energy recovery by ~24% with condensate recovery, with a potential saving of ₹1Cr		
		▪ Developed a SOP to convert wet yeast into dry form, generating circular economy of ~₹1.5Cr per year		
Leadership Initiatives		▪ Achieved 100% compliance in Lean Manufacturing activities by training 27 functional operators for 30+ hrs		
		▪ Actualized zero safety incidents in operations by instituting a digital PPE monitoring system & access card		
Knowledge Management		▪ Trained in food safety as internal auditor; Audited in packaging & minimized complaints by 45% MoM		
		▪ Mentored 6 trainees for 60+ hours in brewery operations & attained 100% conversion rate into pay role		
POSITIONS OF RESPONSIBILITY				
Head – Suspension & steering PSI Racing, ‘21 NIT Trichy		BAJA SAE INDIA 2020 - 5 th /120+ teams (National level, largest off-road vehicle design & sporting event)		
		▪ Designed & fabricated an all-terrain vehicle (ATV) , a single seater four-wheeler suitable for rugged terrains		
		▪ Secured 1st/40 in acceleration event & national overall 4th/45+ in ESI, a national level racing event at Pune		
		▪ Launched targeted marketing campaigns , received sponsorships of ₹1.2L, & manufacturing incentives		
		Individual event national ranks in BAJA 2020:	Suspension - 5 th /120	Design - 6 th /120
		▪ Secured 1st/40 in acceleration event & national overall 4th/45+ in ESI, a national level racing event at Pune		
		▪ Tested ATV for 200+ hrs on six different terrains; Tuned gearbox & increased maximum speed by 8%		
Workshops Head Synergy ‘22		▪ Organized 4 workshops on automobiles & attained footfall of 2K+ from 80+ engineering colleges in TN		
		▪ Collaborated with KTM in organizing exhibition & test drives; Generated revenue of ~₹4L , highest ever		
		▪ Led a team of 10+ for promotions by devising publicity strategies & increased registrations by 30% YoY		
School Pupil Leader ‘15		▪ Elected as school pupil leader in 10 th grade by 650+, earned 60% votes & participated in open debates		
		▪ Organized 3 cultural & 2 sport events with 15+ sub-events & participation from 600+ students in an event		
EXTRACURRICULAR ACTIVITIES				
Sports		▪ Completed 10km annual marathon run of NITT in ‘19 & ‘22 within a time period of 45 m		
		▪ Won annual Sports Fete ‘19 & runner-up in ‘20 , an inter departmental sports event of NITT		
		▪ Secured 1st rank in Kho Kho & 3rd rank in Kabaddi at inter hostel sports competition ‘Aaveg’		
Cultural Activities		▪ Won 1st/9 & 2nd/24 prizes in drama & dance competitions on occasion of school annual day		
		▪ Participated in 6 events, runner-up in NITT Fest , inter departmental cultural fest of NIT Trichy		
		▪ Organized celebrations for the Ugadi festival in college with 12+ events & 800+ participants		
Social Impact		▪ Volunteer for NSS with 40+ team , to educate 30+ farmers on modern seed drying techniques		
		▪ Organized environmental awareness campaign & two plantation drives planting 800+ saplings
