

EDUCATION					
Year		Degree	Institute	%	
2024 - 2026		MBA	IIM Lucknow	-	
2016 - 2020		B.Tech in ECE (Avionics)	IIST, Thiruvananthapuram	70.0	
2015 - 2016		Class XII	DAV Public School, New Delhi	96.4	
2013 - 2014		Class X	DAV Public School, New Delhi	95.0	
ACADEMIC ACHIEVEMENTS					
Competitive Exams		CAT DILR section: 99.61%ile	2023	CAT: 98.66%ile overall out of 328k+	2023
		JEE Mains: AIR 4092/12L+	2016	JEE Advanced: AIR 6126/1.5L+	2016
		▪ Achieved rank 1 in school & competed in city finals of “TIMES Think and Learn challenge” by TOI			2014
Scholastic Accolades		▪ Received performance-based scholarship of ₹ 2.42 L from DoS, GoI for undergrad education			2020
		▪ Secured 99.86%ile in Quantitative Reasoning section of Problem Solving Assessment (CBSE)			2015
Certification	Power BI	Deploy and Maintain Assets	Creative Designing	Data Analysis and Visualization	2024
		Data Modelling	Transform and Load Data	Harnessing the Power of Data	
	Others	▪ Courses on Augmented and Virtual Reality & Artificial Intelligence certified by CDAC MEITY			2023
		▪ Completed course on Preparing Data for analysis with Excel offered by Microsoft on Coursera			2024
WORK EXPERIENCE					
Scientist/Engineer ‘SC’		Semi-Conductor Laboratory, MEITY (formerly Dept. Of Space)		Jan'21 – June '24	
Drove the development of 2 sensors for “Gaganyaan Mission”			Received highest appraisal 3 consecutive times by the Director		
Spacecraft Sensor Development		▪ Spearheaded development of 3 Inertial Sensors having market value of ₹ 3L+ by representing 30+ members			
		▪ Deliberated with scientists from ISRO centres to finalize specs of 5 devices for successful satellite missions			
		▪ Procured items worth ₹ 5Cr+ for product development by E2E coordinating with 25+ global stakeholders			
Reliability Assessment		▪ Estimated lifetime of sensors for rockets to be 10+ years by leading a team of 5 to conduct 50+ quality tests			
		▪ Identified key failure points by analysing data for 70+ tests & released 10+ QA reports of 100+ flight devices			
		▪ Reduced the manpower requirement by 66% through setup automation for over 21 different test systems			
Production Strategy		SPOC- feasibility analysis of 50+ semiconductor chips Developed pre-production test plan ↓ failure rate by 20%			
		▪ Validated process to ensure 90%+ yield of 100+ devices for 5 varieties of micro-chips for space application			
		▪ Coordinated with 8 cross functional teams for timely production & delivery of 100+ space module devices			
Inventory Control & Innovation		▪ Managed inventory of 1000+ products worth over ₹ 2 Cr+ for 20+ projects supporting ISRO missions			
		▪ Reduced the procurement charges by 90% through designing and 3D printing inhouse prototype models			
		▪ Supervised the handling of equipment and tools worth ₹ 6 Cr+ used across different stages of testing			
INTERNSHIP PROJECTS					
Pratham Education Foundation'22		▪ Supported Program Management Group by providing ops and analytics support in the flagship program			
		▪ Created geographical representation capturing the reach of education programs in 4 districts of Maharashtra			
		▪ Curated Maharashtra education profile analysing data of 10k+ beneficiaries (5 cities) boosting donor insights			
URSC, ISRO'19		▪ Analysed 12+ research paper to research on 6 alternate technologies for power throughput in satellite systems			
		▪ Identified the instability of the interface by modelling & simulating a circuit using advanced simulation tools			
		▪ Reduced simulation time by 30% by modelling the behavior of a commercial IC & integrating it with tool			
POSITIONS OF RESPONSIBILITY					
Core Team, Conscientia'19		▪ Collaborated with multiple external businesses to set up 6+ food & merchandise outlet generating ₹ 4.5L+			
		▪ Coordinated & hosted RC Car racing event involving 8+ teams competing on 200m amphibious racetrack			
		▪ Generated revenue of ₹ 21 L+ via sponsorships, sale of merchandise & food to over 1200 participants			
Event organizer, Dhanak'18		▪ Organized and hosted fashion show comp. involving teams from 8 different colleges with 80+ members			
		▪ Engaged with over 20 colleges pan India to participate in events resulting in the footfall of 1000+ students			
		▪ Led a team of 9 volunteers to meet accommodations, catering & transportation of 800+ students for 4 days			
EXTRACURRICULAR ACTIVITIES					
Volunteer, Teach For India		▪ Taught Maths to grade 8 & 9 students over 10 sessions to reverse learning loss during COVID			
		▪ Assisted the Fellows to teach Bridge Curriculum Prog. and design holistic education activities			
		▪ Mentored a class of 50+ children for 3+ Months by sharing my journey as an ISRO scientist			
Sports		▪ Secured 1 st place out of 24 participants in powerlifting (66 Kg) outlifting runner-up by 65 Kgs			
		▪ Secured 1 st place out of 6 teams by scoring 164 runs in 3 matches in Intra SCL Cricket Tournament			
Adventure		▪ Successfully embarked on 3 Day 2 Night Bhriagu Lake Trek surmounting a summit of 14,107 feet			
		▪ Completed 15 km marathon organised by Govt. of India on occasion of Rashtriya Ekta Diwas
