	▪ Merit Certificate from CBSE for being among top 0.1% in Computer Science in 12th Boards			2017
	▪ Certificate of Appreciation from Sr. Exec. Director of IFFCO for acad. distinction in Class 10th			2015
CFA L1 Candidate	169/170 (Quant GRE)	98% (Maths, 12th Boards)	478 international rank (IMO'13)	
Academic Distinctions	▪ Secured 10 CGPA in 39/45 subjects in UG incl. Software Engineering & Entrepreneurship			2017-21
	▪ Scored 100/100 marks in Chemistry and Computer Science in Class 12th CBSE Board exams			2017
	▪ Featured in 4 National Newspapers for securing district 2nd/6000 rank in class 12th Boards			2017
Projects	▪ Simulated 76% accurate evacuation scenarios, helping to plan and reduce casualties in events			2020
PROFESSIONAL EXPERIENCE				
Associate Software Analyst		Ericsson, Gurgaon	July '21 – June '24	
Feasibility Lead(new automation fmwk.)		LOR from senior managers & dev leads	SPOC for automation team	
Client Satisfaction	▪ Reduced churn-induced costs by ₹2L+, by proposing UX enhancements, evaluating 50+ product bugs			
	▪ Designed middleware to bridge services, enhancing configurability by 30%; facilitating client customizability			
Product Excellence	▪ Revamped 4 legacy codebases for 15+ APIs, eliminating bottlenecks; improving response time by 0.6 sec			
	▪ Incorporated 10+ KPI metrics in automation reports, saving ₹50K in operational costs, cutting analysis time			
	▪ Enhanced TAT by 40% by optimising automation code, reducing annual time to market expenses by ₹50K			
▪ Increased flexibility by 25% by modifying mock service to provide dynamic responses to 20+ API calls				
Earned 2 appraisals in the same year as opposed to norm of 1 increment due to expediting release delivery				
Stakeholder Management	▪ Showcased ~20 use case demos to project stakeholders to align with product vision, reducing rework by 30%			
	▪ Orchestrated efforts with 4 sr. architects on new testing strategy for dev, elevating system reliability by 20%			
	▪ Collaborated with 3+ cross-functional teams across 3 geographies, reducing delivery period by 2 weeks			
Team Leadership	▪ Oversaw a 20-member team in E2E implementation of new framework, facilitating ROI worth ₹90K			
	▪ Realized 40% increase in task completion by refining workload distribution in team, allocating 30+ testcases			
Awards & Recognition	▪ POWER Award, from the MD of Ericsson Gurgaon for summarizing findings of new framework feasibility			
	▪ Received recognition from product development leaders for developing middleware with E2E testing, solely			
Software Engineering Intern		Ericsson, Gurgaon	Jan '21 – June '21	
Quality Adherence	Among 2 out of 6 people to secure PPO		POC for Frontend automation used by 4+ teams	
	▪ Developed pipelines for UI automation, increasing adoption from 1 to 4 teams, reducing TTM by 10%			
	▪ Increased 20% automation coverage, by integrating ~25 test cases, reducing post-release defects by 10%			
	▪ Authored 20+ regression testcases for Telco client, increasing CSAT by 5% by ensuring product stability			
POSITIONS OF RESPONSIBILITY & EXTRACURRICULARS				
Training Lead, Ericsson, 2023	▪ Mentored 20+ new team members with 50+ KT sessions, reducing employee onboarding time by 25%			
	▪ Published 10+ documents on technical requirements & best practices, which garnered ~1000 impressions			
Member, MSC Thapar, 2018	▪ Conducted a coding competition with 50+ participants, formulating ~4 problems to drive competition			
	▪ Organised 3+ coding workshops and hackathons, drawing participation from 100+ students from all years			
House Captain, KV Aonla, 2016	1st place out of 4 houses in Annual Sports Competition		1st place in Inter House competitions	
	▪ Coordinated with 4 houses to organize 15+ Inter-House competitions with 100 participants & 1K footfall			
1st position in Inter-House English Debate Competition'14		1st rank in Poem Recitation Competition'13		
Social Work	▪ Volunteered for blood donation camp in Punjab state, contributing to community health efforts			2018
	▪ Participated in inter KV extempore competition, with over 30+ schools focused on social cause			2016
Competitions	▪ Participated in BITS Apogee Innovation challenge to develop solutions for GE Healthcare			2019
	▪ Ranked national ~700/3.2K teams & college 7th in International Programming Contest ICPC			2018
