

EDUCATION				
Year	Degree	Institute	%	Rank
2024 - 2026	MBA	IIM Lucknow	-	-
2017 - 2021	B.E.(Computer Engineering)	Thapar Institute of Engineering and Technology	97.90	Top 1%ile
2016 - 2017	XII(CBSE)	Kendriya Vidyalaya, IFFCO Aonla	96.50	1st/~100
2014 - 2015	X(ICSE)	Hartmann College, Bareilly	94.17	-
ACADEMIC ACHIEVEMENTS				
100% Scholarship of ₹12L+ for being top 35/1683 in UG		Top 1.5%ile of all KVS students in CBSE Boards 2017		
Scholastic Accolades	Certificate of Appreciation from Dean of Sponsored Research and Consultancy, IIT Roorkee - Awarded Gold Medal and Merit Certificate for securing 1st/648 in fresher year of UG program - Certificate of Appreciation from Sr. Exec. Director of IFFCO for acad. distinction in Class 10th			2020 2017-18 2015
Academic Distinctions	Secured 10 CGPA in 39/45 subjects in UG incl. Software Engineering & Entrepreneurship Scored 100/100 marks in Chemistry and Computer Science in Class 12th CBSE Board exams Featured in 4 National Newspapers for securing district 2nd/6000 rank in class 12th Boards			2017-21 2017 2017
Projects & Olympiads	- Simulated 76% accurate evacuation scenarios, helping to plan and reduce casualties in events - Attained 15th city and 478th international rank in International Mathematics Olympiad by SOF			2020 2013
PROFESSIONAL EXPERIENCE				
Associate Software Analyst		Ericsson, Gurgaon		July '21 – June '24
Feasibility Lead for new automation framework		LOR from senior managers & dev leads	SPOC for automation team	
Client Satisfaction	- Proposed UX enhancements, resulting in a 25% increase in CSAT by identifying & prioritizing 50+ bugs Designed middleware to bridge services, enhancing configurability by 30%; facilitating client customizability - Revamped 4 legacy codebases for 15+ APIs, eliminating bottlenecks; improving response time by 0.6 sec			
Product Excellence	- Incorporated 10+ KPI metrics in automation reports, boosting efficiency by 15% by cutting analysis time - Enhanced TAT by 40% by optimising automation code & reduced manual testing from 8 to 7 weeks Increased flexibility by 25% by modifying mock service to provide dynamic responses to 20+ API calls			
Earned 2 appraisals in the same year as opposed to norm of 1 increment due to expediting release delivery				
Stakeholder Management	- Showcased ~20 use case demos to project stakeholders to align with product vision, reducing rework by 30% Orchestrated efforts with 4 sr. architects on new testing strategy for dev, elevating system reliability by 20% - Collaborated with 3+ cross-functional teams across 3 geographies, reducing delivery period by 2 weeks			
Team Leadership	Oversaw a 20-member team in E2E implementation of new framework, driving 20% increased performance - Realized 40% increase in task completion by refining workload distribution in team, allocating 30+ testcases			
Awards & Recognition	POWER Award, from the MD of Ericsson Gurgaon for summarizing findings of new framework feasibility - Received recognition from product development leaders for developing middleware with E2E testing, solely			
Software Engineering Intern		Ericsson, Gurgaon		Jan '21 – June '21
Quality Adherence	Among 2 out of 6 people to secure PPO		POC for Frontend automation used by 4+ teams	
	- Developed pipelines for UI automation, increasing adoption from 1 to 4 teams, reducing TTM by 10% Increased 20% automation coverage, by integrating ~25 test cases, reducing post-release defects by 10% Authored 20+ regression testcases for Telco client, increasing CSAT by 5% by ensuring product stability			
POSITIONS OF RESPONSIBILITY				
<i>Training Lead, Ericsson, 2023</i>	Mentored 20+ new team members with 50+ KT sessions, reducing employee onboarding time by 25% - Published 10+ documents on technical requirements & best practices, which garnered ~1000 impressions			
<i>Member, MSC Thapar, 2018</i>	- Conducted a coding competition with 50+ participants, formulating ~4 problems to drive competition - Organised 3+ coding workshops and hackathons, drawing participation from 100+ students from all years			
<i>House Captain, KV Aonla, 2016</i>	- Coordinated with 4 houses to organize 15+ Inter-House competitions with 100 participants & 1K footfall - Secured 1st place out of 4 houses in Annual Sports Competition; Achieved 1st place in Inter House competitions			
EXTRACURRICULAR ACTIVITIES				
1 st position in Inter-House English Debate Competition'14		1 st rank in Poem Recitation Competition'13		
Social Work	- Volunteered for blood donation camp in Punjab state, contributing to community health efforts - Participated in inter KV extempore competition, with over 30+ schools focused on social cause			2018 2016
	- Participated in BITS Apogee Innovation challenge to develop solutions for GE Healthcare Ranked national ~700/3.2K teams & college 7th in International Programming Contest ICPC			2019 2018
