

EDUCATION				
Year	Degree	Institute	%/CGPA	Rank
2024 - 2026	MBA	IIM Lucknow	-	-
2015 - 2019	B.E in Mechanical Engineering	Jadavpur University, Kolkata	8.40/10	DR 31/111
2015	Bihar School Examination Board (XII)	SM Inter College, Hajipur	73.60	-
2012	CBSE (X)	Indian Public School, Hajipur	10/10	IR 1/200
ACADEMIC ACHIEVEMENTS & PROJECTS				
Indian Engineering Olympiad '17- AIR 79/1.8L+		WBJEE '15 AIR 742/1.29L+	LOR from HOD of Mech. Eng.	
Scholastic Accolades	Top 3 Letter grades (8+) in 58/72 courses in B.E.		5/120 to represent at ASME GT Conference , JU	
	Merit certificate in Class X for securing 10 CGPA		Distinction in 3/5 Subjects in Class XII Board	
	5/120 to be awarded JU Alumni Scholarship of ₹10k		1/200 to receive Scholarship of ₹15k in Class X	
Research Project JU '19	- Investigated sudden expansion in fluid flow using Ansys which has potential application in 5+ industries Predicted 15% energy savings through optimized duct design; validated by physical model simulation			
Internship Daikin, India '18	- Strategized 20% market share growth by primary research and driving customer insights from 75+ dealers - Conducted competitor analysis for ACs, diagnosed key barriers resulting in 15% sales lead generation			
Competitive Exam	Top 2.6%ile/2.8L+ , QA, CAT '23	Top 2.4%ile/12L+ , JEE Main '15	Top 3.5%ile/1.1L+ CET '23	
Certifications	Lean Six Sigma Green Belt (ISCEA)	Quality Management Foundations		German Language
WORK EXPERIENCE				
Senior Executive Engineer		Siemens Limited, Gurgaon		Jul '19 – Jun '24
International work exp. in 3 countries		Siemens STAR Award 1/450, worth ₹50k	Won Best Project of the Qtr. /75+	
Product Innovation	- Led design of 5 turbine prototypes with precise sensors, cutting testing time by 17% and saving €100k - Incorporated 3D printed design for turbine by coordinating with 7 vendors, saved €50k for 5 projects Conducted RCA on sensors malfunctions and engineered corrective action reducing downtime by 13%			
Digital Transformation	- Developed python-based automation tool, reduced workhours by 90% saving €120k/yr across 7 projects - Devised ML model for turbine health monitoring; secured €150k fund from global team for deployment			
Delegated to Siemens Germany (1/30) for leading critical project reviews, resulting in 20% project efficiency amplification				
Stakeholder Management	Collaborated with 3 Int'l. CFTs, synergized 4 processes to improve product development cycle by 16% - Accelerated project timeline by 15% by resolving 20+ design & manufacturing issues with 5 stakeholders			
Process Optimization	SPOC for 3 critical function, reduced resolution time by 20% through proactive mitigation of roadblocks Pioneered training modules on product lifecycle mgmt. tools incl. SAP and mentored 30+ employees - Delivered KTs for 10 teams; optimised process document & reduced project onboarding TAT by 20%			
Rewarded 3i idea award for innovative digital solutions in R&D		Fast-track promotion in 6 months vs firm average of 1 year		
Award & Recognitions	- Awarded for cost savings of €70k for design optimisation & site execution for customer in Bangladesh - Spot Award for quick customer solution in Central Asia, achieved 10% reduction in maintenance cost			
POSITIONS OF RESPONSIBILITY				
Global Newsletter with 1L+ views		Managed Budget of ₹4L+ for Dept. Fest	SPOC for 7 functions~ 800+ participants	
Information Liaison, Siemens '23- '24	Streamlined weekly updates for 450+ peers, shared innovation stories & boosted engagement by 20% 1 out of team of 10 to launch monthly newsletter for Siemens at the global level for 80k+ employees			
Division Head, SAE, JU '17- '18	- Led a 100+ member Chassis Team of Motorsports Club; organized 5 seminars for tool knowledge Raised ₹2L+ budget through 5+ sponsors and managed resource allocation through inventory planning			
Event Manager Trajectory, JU '17	Facilitated dept. tech fest with 10+ events and 500+ footfall by handling E2E planning and execution - Planned 4 workshops, executed social media campaign & campus promotions to increase footfall by 30%			
Core Member JU MUN '17	Spearheaded core team of 25+, managed 5 events with footfall of 800+ in 3-day inter-college MUN - Secured & managed sponsorships worth ₹5L+ from 10 sponsors & pitched 15+ dignitaries for event			
EXTRACURRICULAR ACTIVITIES				
5 Podium finishes in sports & tech fest		Siemens GGN Chess Champion 1/180+	Spearheaded 4 social outreach programs	
Sports	Social Responsibility	- Devoted 350+ hours to mentor and teach 50+ underprivileged children at CRY, Kolkata - Organised health & computer literacy drives, flash mobs with overall engagement of 500+		
	Chess	1st Prize out of 140 students in inter department Chess competition at JU annual sports meet		
	Cricket	Captained dept. team to win annual cricket tournament at JU Sports meet among 16 teams		
	Carrom	Won inter dept. Carrom tournament out of 120+ participants at JU annual sports meet		
Robotics		1st Prize in event Fury Road aimed at engineering racing robocar out of 150 teams at JU Winner among 220+ teams at JU for the event Junkyard wars aimed at waste management
