

EDUCATION					
Year		Degree	Institute	%	
2024-2026		MBA	IIM Lucknow	-	
2016-2020		B. Tech in Chemical Engineering	National Institute of Technology, Surat	83.4	
2015-2016		XII - Maharashtra HSC Board	Tarkunde Dharampeth College, Nagpur	80.6	
2013-2014		X - CBSE	Stella Maris Convent School, Rajura	93.1	
ACADEMIC ACHIEVEMENTS & PROJECTS					
Consistently in Top 5 for 11/12 years		Top 292/1.8K + in Airtel iCreate 2024	ISCEA Six Sigma Green Belt		
Academic Accolades	International English Olympiad (2013)		National Science Olympiad (2011)		
	Rank: 2370/1 L+ with Top 2.1 % percentile		Class rank: 2/200 & State rank: 2718		
	▪ Maintained 8.9+ SGPA in 3 semesters with 10/10 GPA in 6 courses of Under Graduation			2020	
Projects	Fertilizer Production	▪ Designed ₹990 Cr chemical plant layout, saved CAPEX by 12% through cost benefit analysis			2019
		▪ Identified process targeting 4 sustainability indicators & reducing 2 tonnes of CO2 emission			
	Drug Delivery	▪ Achieved three-fold increase in drug dissolution rate by reducing nanoparticle size to 60%			2018
▪ Employed 10+ metrics to identify ideal process condition; resulted in 70% capture efficiency					
WORK EXPERIENCE					
Research Scientist		PI Industries Ltd, Udaipur		Oct '20 – Jun '24	
Commissioned ₹10 Cr+ flow plant		1/3K + to receive Excellence Award	SPOC for 20 + external stakeholders		
Stakeholder Collaboration	▪ Led business expansion collab with 2 Int'l Chem. Giants (\$1 Bn) to envision ₹50 Cr+ commercial plant				
	▪ Cultivated strategic partnerships with 5 global clients delivering compelling presentations on flow solns				
	▪ Spearheaded team of 4 to perform RCA increasing yield by 35%; expedited project completion by 25 %				
ESG impact	▪ Achieved 70% waste reduction through closed-loop solvent recycling, saving ₹2 Cr in treatment facilities				
	▪ Conceptualized alternative solvent media by conducting 5+ LCAs, minimizing 30% VOC emissions				
	▪ Reduced paper consumption by 50% by adopting automated data entry sys., enhancing accuracy by 90%				
Conducted 10 hands-on practice sessions for 250+ emp.		Developed 50+ SOP's resulting in 100% error free execution			
Technological Breakthrough	▪ Designed 4 flow reactors in-house achieving throughput of 4K MTPA saving ₹5 Cr+ in overhead cost				
	▪ Installed advanced PAT to monitor critical mixing parameters adjusting TAT by 100+ hours in real time				
	▪ Enhanced mixer design & configuration to achieve optimal mixing profile, resolving 50+bottlenecks				
Operational Excellence	▪ Pioneered 100+experiments through multivariate parameters reduc. time-to-market by 60% of products				
	▪ Improved process consistency by 20% through targeted interventions with in-depth SPC data analysis.				
	▪ Optimized asset utilization with preventive maintenance protocols reducing process downtime by 30%				
Revolutionized 8 process with automation		Revamped process saving ~85% OPEX	Net savings of ₹7 Cr+ across 4 yrs.		
Business Development	▪ Worked with Sr. leadership to develop tracking plans for 10 products; identified & mitigated risk by 20%				
	▪ Proposed novel flow technologies through market research, increasing the sales pipeline by 10% in 3 mos.				
POSITIONS OF RESPONSIBILITY					
Developed sports webpage with 30% increase in DAU		Coordinated 3 healthcare screenings & wellness counselling			
PI Industries	Member Canteen, '23	▪ Implemented strategic lunchtime scheduling & automation curtailing average emp. waiting time by 20%			
		▪ Led team of 20, ensuring food quality control for 600+ employees ; boosting staff satisfaction by 10%			
		▪ Introduced dynamic feedback mechanism aligning with employee preferences, reduced food waste by 30%			
	Coordinator Sports, '22	▪ Orchestrated inter-sports tournament between 3 org. with 10 sports disciplines fostering camaraderie			
		▪ Increased employee engagement to 2k+, 10% YoY spike by revamping social media for live score updates			
	Core Member Fdn Day'21	▪ Hosted intra-org. meet for 2 days facilitating 10 cross dept. collab with employee-led recreational zones			
		▪ Managed overall logistics with 25% acc. in delivery times & 15% cost reduction through vendor negot.			
	Cultural Minister School, '13	▪ 1/12 from a pool of 500+ elected to cabinet , boosted student grades through 20+ academic workshops			
		▪ Served as pivotal communication conduit between 4 student bodies , 60+ faculty members & admin			
		▪ Achieved 20% YoY growth in student-led fundraising initiatives & initiated 10 environmental campaigns			
EXTRACURRICULAR ACTIVITIES					
2nd top grade in Nat'l Drawing Exam by Dept. of Edu., GoM		Represented school at 3 district level dance competitions			
Performing Arts	Sub District Level		2 Inter-school Level	Intra-school Level	
	Winner/250+ students , 2013		Winner/5 Dance teams , 2013	Podium finisher - 10/10 event	
	Fine arts competition		Dance & Singing Competitions	Cultural competitions	
B-School	▪ 3rd Runner-up/600+ teams in National Level Marketing Case Study Challenge hosted by Learnous				
	▪ Ranked 46 out of 140 teams in Brand -A -Thon 3.0: The Marketing and Branding quiz competition				
Social Work	▪ Volunteered for polio eradication efforts at tehsil level contributing to immunization of 500+ children				
	▪ Spearheaded 3 Environment Day initiatives with 10 sustainability campaigns ; 50% surge in participation				
	▪ Conducted workshops on financial autonomy in 2 rural areas for 200+ women improving fin. literacy
