

EDUCATION					
Year		Degree	Institute	%	
2024-2026		MBA	IIM Lucknow	-	
2016-2020		B. Tech in Chemical Engineering	National Institute of Technology, Surat	83.4	
2015-2016		XII - Maharashtra HSC Board	Tarkunde Dharampeth College, Nagpur	80.6	
2013-2014		X - CBSE	Stella Maris Convent School, Rajura	93.1	
ACADEMIC ACHIEVEMENTS & PROJECTS					
Top 292/1.8K+ in Airtel iCreate 2024		Consistently in Top 5 for 11/12 years	ISCEA Six Sigma Green Belt		
Academic Accolades		International English Olympiad (2013)		National Science Olympiad (2011)	
		Rank: 2370/1 L+ with Top 2.1 % percentile		Class rank: 2/200 & State rank: 2718	
Projects	Drug delivery	▪ Maintained 8.9+ SGPA in 3 semesters with 10/10 GPA in 6 courses of Under Graduation			2020
		▪ Achieved three-fold increase in drug dissolution rate by reducing nanoparticle size to 60%			2018
		▪ Employed 10+ metrics to identify ideal process condition; resulted in 70% capture efficiency			
	Fertilizer Production	▪ Designed ₹990 Cr chemical plant layout, saved CAPEX by 12% through cost benefit analysis			2019
▪ Identified process targeting 4 sustainability indicators ; reducing 2 tonnes of CO2 emissions					
ONGC Internship		▪ Proposed installation of variable speed drives on fans to curtail energy consump. by 10%			2019
▪ Provided evaluation of 2 advanced waste treatment tech. by gathering data on effluent qlt.					
WORK EXPERIENCE					
Research Scientist		PI Industries Ltd, Udaipur		Oct '20 – Jun '24	
Commissioned ₹10 Cr+ flow plant		1/3K+ to receive Excellence Award		SPOC for 20 + external stakeholders	
Stakeholder Collaboration		▪ Led business expansion collab with 2 Int'l Chem. Giants (\$1 Bn) to envision ₹50 Cr+ commercial plant			
ESG Impact		▪ Cultivated strategic partnerships with 5 global clients delivering compelling presentations on flow solns			
		▪ Spearheaded team of 4 to perform RCA increasing yield by 35%; expedited project completion by 25 %			
Technological Breakthrough		▪ Achieved 70% waste reduction through closed-loop solvent recycling, saving ₹2 Cr in treatment facility			
		▪ Conceptualized alternative solvent media by conducting 5+ LCAs, minimizing 30% VOC emissions			
Revolutionized 8 process with automation		▪ Identified energy intensive areas & installed 4 cryogenic units reducing electricity consumption by 15%			
		▪ Designed 4 flow reactors in-house achieving throughput of 4K MTPA saving ₹5 Cr+ in overhead cost			
Operational Excellence		▪ Installed advanced PAT to monitor critical mixing parameters adjusting TAT by 100+ hours in real time			
		▪ Enhanced mixer design & configuration to achieve optimal mixing profile resolving 50+bottlenecks			
Revamped process saving ~85% OPEX		Net savings of ₹7 Cr+ across 4 yrs.			
Business Development		▪ Pioneered 100+experiments through multivariate parameters reduc. time-to-market by 60% of products			
Business Development		▪ Optimized asset utilization with preventive maintenance protocols reducing process downtime by 30%			
		▪ Worked with Sr. leadership to develop tracking plans for 10 products; identified & mitigated risk by 20%			
Business Development		▪ Proposed novel flow technologies through market research, increasing the sales pipeline by 10% in 3 mos.			
POSITIONS OF RESPONSIBILITY					
Developed fest webpage catalysing 30% surge in engagement			Managed 20+ events with an overall footfall of 4K+		
PI Ind.	Member Canteen, '23	▪ Implemented strategic lunchtime scheduling & automation curtailing average emp. waiting time by 20%			
	Coordinator Sports, '22	▪ Introduced dynamic feedback mechanism aligning with employee preferences, reduced food waste by 30%			
Core Member, Siphon SVNIT, '18	▪ Orchestrated inter-sports tournament between 3 org. with 10 sports disciplines fostering camaraderie				
	▪ Increased employee engagement to 2k+,10% YoY spike by revamping social media for live score updates				
Cultural Minister, School, '13	▪ Secured ₹1L+ in sponsorship to expand event portfolio into 10 tech-focused events , delivering 10 sessions				
	▪ Conducted 6 events & managed promotions collaborating with 10 universities to attract 3K+ audience				
Cultural Minister, School, '13		▪ Steered team of 30 to manage key stakeholder relationships across 5 depts securing 90% project buy-in			
		▪ 1/12 from a pool of 500+ elected to cabinet , boosted student grades through 20+ academic workshops			
Cultural Minister, School, '13		▪ Served as pivotal communication conduit between 4 student bodies , 60+ faculty members & admin.			
		▪ Achieved 20% YoY growth in student-led fundraising initiatives & handled 10 environmental campaigns			
EXTRACURRICULAR ACTIVITIES					
2 nd top grade in Nat'l Drawing Exam by Dept. of Edu., GoM			Represented school at 3 district level dance competitions		
Performing Arts	Sub District Level		Inter-school Level	Intra-school Level	
	Winner/250+ students, 2013		Winner/5 Dance teams, 2013	Podium finisher - 10/10 event	
	Fine arts competition		Dance & Singing Competitions	Cultural competitions	
B-School Competition		▪ 3rd Runner-up/ 600+ teams in National Level Marketing Case Study Challenge hosted by Learnous			
Social Work		▪ Top 844/2K + in Vidyarthini 3.0: Women in Supply Chain campus program conducted by Flipkart			
		▪ Ranked 46 out of 140 teams in Brand -A -Thon 3.0: The Marketing and Branding Quiz Competition			
Social Work		▪ Spearheaded 3 Environment Day initiatives with 10 sustainability campaigns ; 50% surge in participation.			
		▪ Volunteered for polio eradication efforts at tehsil level contributing to immunization of 500+ children			
Social Work		▪ Conducted workshops on financial autonomy in 2 rural areas for 200+ women improving fin. literacy
