Certification	▪ Certified Six Sigma Green Belt with ISCEA , trained in DMAIC approach and lean strategies		2024
Internship, EAC Marine	▪ Conducted design study for underwater buoyancy engine, capable of operating up to 100m depth		2018
	▪ Worked on the sourcing process for high-capacity pumps, evaluating proposals from 5+ vendors		
WORK EXPERIENCE			
Assistant Manager – R&D		Hero MotoCorp, Jaipur	Jul '19 – Jun '24
Lead Designer – Metal Casting		Aggregated cost savings of ₹75L+	LOR by Deputy GM
Design Innovations	▪ Implemented design enhancements in all castings, saving ₹35L+ by 15% reduction in raw material usage		
	▪ Streamlined designs by eliminating redundancy, reducing total station time by 2k+ manhours annually		
	▪ Reduced rejection rate from 10% to 4% by rectifying defects in pre-production using simulation modelling		
Operational Excellence	▪ Attained ₹15L+ reduction in OPEX by increasing throughput rate by 10% & optimising material usage		
	▪ Achieved zero waste to landfill and saved ₹15L+ annually by implementing a material recycling process		
	▪ Enhanced production efficiency by 10% through workflow optimisation & coordinating with 10+ people		
Quality Enhancement	▪ Performed RCA on product defects and introduced a quality check system, halving defect incidence		
	▪ Overhauled assembly design, reducing setup time by 500+hrs p.a. and increasing quality conformance by 5%		
	▪ Slashed ₹10L+ p.a. on inspection expenses & increased system reliability by automating casting ejections		
Earned Exceeds Expectation rating consecutively for 2 years		Contributed to 10k+ castings , 25+ projects worth ₹2Cr+	
Stakeholder Management	▪ Collaborated with 4 departments , organising 30+ sessions to address concerns, reducing escalations by 25%		
	▪ Identified 5 mfg. issues in new parts, recommended solutions to design team, saving ₹5L+ in downtime costs		
Mentorship	▪ Trained and developed a team of 3 to streamline tool design, minimising the turnaround time by 30%		
	▪ Devised & conducted training programs of 16 weeks for 2 GETs to upskill them under Prarambh initiative		
POSITIONS OF RESPONSIBILITY			
Organised South India’s largest student-run cultural fest		Hosted 2.5k+ participants across the two events	
IIT MADRAS	Coordinator, Hospitality Saarang '18	▪ Led a team of 8 volunteers, assisting 60k+ attendees , & resolving 90%+ guest issues within 30 minutes	
		▪ Facilitated 6 registration kiosks & distributed 2k+ guidebooks for seamless navigation across 4 event zones	
		▪ Coordinated accommodations for 500+ outstation participants , ensuring seamless onboarding across 5 days	
IIT MADRAS	Coordinator, Mechanical '17	▪ Organised largest departmental fest, engaging 1k+ participants , achieving a 20% increase in participation	
		▪ Conducted workshop on IC engines , engaging 50+ participants , boosting their practical & theoretical acumen	
		▪ Negotiated with 3 vendors to procure equipment for Robosoccer, achieving 10% YoY cost reduction of ₹20k+	
IIT MADRAS	Member, School Mess Committee '14	▪ Ensured high food quality and hygiene standards for 300+ students , achieving a 95% approval rate	
		▪ Initiated feedback & redressal system , collecting 50+ suggestions, resulting in 20% reduction in food wastage	
EXTRACURRICULAR ACTIVITIES			
Addressed 200+ expats, media & investors at Hero World 2020		Impacted 300+ lives through social work	
NCC	▪ Earned ‘A’ Certificate in NCC through 150+ hrs of rigorous training & a 10-day camp in 2 years		2012
	▪ Selected in the top 30 out of 500+ cadets to participate in R-Day & I-Day parades in college		2016
Sports	▪ Finished in top 30% of 3500+ participants in two 10km marathons by Vedanta for social cause		2023
	▪ Led the department team to achieve gold among 8 teams in the interdepartmental cricket league		2021
Quiz	▪ Achieved top 5/800+ employees in automotive quiz organised at the R&D centre, HMCL		2022
	▪ Represented school and won gold in an English literature-based quiz comp. among 4 schools		2013
CSR	▪ Facilitated company-wide donation drive , collecting essential kits for needy & impacting 250+ lives		2022
