

EDUCATION				
Year	Degree	Institute	% / CGPA	
2024 - 2026	MBA	IIM Lucknow	-	
2017 - 2021	B. Tech in Computer Engineering	NIT Kurukshetra	9.1/10	
2016	HSC, CBSE	DAV Public School, BSEB, Patna	87.17	
2014	SSC, CBSE	St. Karen's High School, Patna	10/10	
ACADEMIC ACHIEVEMENTS				
Research Project	- Conducted literature survey of 12 Research papers and identified 2 areas of improvement - Devised a Novel Predictive Model achieving 96.26% accuracy to predict life expectancy - Published Paper: Evaluating Models for Better Life Expectancy Prediction in Springer			2021 - 22
Achieved Top 2 Letter Grades in 40/49 courses in UG		Best Conference paper in Data Analytics at ICCIDA '22		
Internship, DMI Finance Pvt Ltd	Improved 600+ Unit Tests to inc. Code Coverage from 65% to 81%, reduced bugs by 6% - Developed a Dashboard based on 8 sales KPIs using Salesforce BI, and data pipeline tool - Created ML Model with 91% accuracy to identify failures by predicting API response time			2020
Comp. Exams	JEE Mains: Top 1.2%ile /11.2L+	Advanced: Top 11.7%ile /1.59L+		2017
Certifications	Stanford Online Machine Learning	Scrum Master Training	Lean 6 Sigma Green Belt	
WORK EXPERIENCE				
Software Developer		Siemens Healthineers, Bengaluru		Aug '21 – Jun '24
LOR from Deputy General Manager, Siemens India		SPOC for 3 Critical Angiography Features		
Product Development	- Developed 10+ features to auto detect Coronary Artery Disease (CAD), reducing diagnosis time by 84% - Conceived interactive CAD and stent location visualizer, enabling non-invasive treatment for 31k+ patients - Engineered module to identify CAD severity & aiding 11k+ cardiologists for non-invasive analysis			
Product Enhancement	Enhanced FPS by 140% through dynamic feature deactivation & augmenting 100% user satisfaction - Improved 20+ Frontend and Backend features of Cloud Based web app for Coronary CT Angiography			
Agile Development	- Directed stand-up meetings as backup Scrum Master, mitigating blockers, achieving 93% sprint burndown Boosted efficiency by 60% of intermediate product release performing peer & team code review sessions - Modelled bug aversion across team of 10 by establishing better test code coverage standards of 95%+			
Timely mitigated defects, saving \$4M+ in company cost		Optimized project onboarding by 33% for new joiners		
Quality Assurance	- Performed RCA for 750+ test failures, saving 150+ man hrs & maintaining 98%+ application stability Saved 1.8k+ of man hours implementing 3 principal methodologies, automating 250+ test scenarios - Proactively resolved 75+ product & automation defects in timely manner, saving up to \$4M in costs			
Team Leadership	Organized and facilitated sprint retrospectives, capturing actionable insights across 4 areas of improvement - Spearheaded team of 8 to attain Org's Code Craftsmanship Certification twice, reduced process time by 30%			
Mentorship & Initiatives	- Mentored 5 new joiners across 2 teams, provided comprehensive training on Internal Tools & Frameworks - Conducted 3 KT sessions for 40+ members across 4 teams, reducing task completion time by 15%			
Product Consultant	Aquaeasy, Kurukshetra		Sep '19 – Oct '19	
Product Vision	- Designed Website and Android app prototype in 15 days to deliver water, medicine and food on trains - Identified 3 product implementation strategy, by market analysis helping Start-up to raise ₹10.75L funds			
POSITIONS OF RESPONSIBILITY				
Core Member, Siksha '17 - '21	- Tutored 20+ underprivileged students from Class VII to X in math & sci., achieving 70% passing rate Organized 15+ workshops for 350+ students from 6 schools & NGOs, footfall increased by 24% (YoY)			
Core Member, Techfest	Managed 10+ guest lecture with footfall of 1.5k+ attendees		Sponsorship raised - ₹80K	
	Negotiated with 4 vendors for promotional merchandise, achieving 15% cost reduction than prev. yr.			
VM, IIML 2024	- Facilitated on-ground operations of 40th IIML Foundation Day sports tournament with a footfall of 800+ - Oversaw scheduling & maintained logistical requirements for 8+ sports events, decreased man hr by 10%			
EXTRACURRICULAR ACTIVITIES				
Content Creation	- Launched defence YT channel gaining 848k+ views, ~5.2k watch hrs & ~1.7k subscribers - Created technical education YouTube channel attracting 150k viewers and ~3.7k watch hours			2022 2022
Social Work	- Distributed food, and essentials to 300+ families and frontline workers during Covid-19 Raised ₹70k+ towards Covid relief through online fundraising for food, masks and meds			2021
