ACADEMIC ACHIEVEMENTS					
Scholastic Accolades		Best out-going student award - Class X		98%+ in 3/4 core subjects & 200/200 in Maths - Class XII	
		▪ Selected among 200+ students for PSG alumni scholarship of ₹20K/annum for 4 years			2017
		▪ IR: 1/200+ sem.VII (UG); Scored A grade & above in 62/69 subjects; 10/10 in 11 subjects			2021
Project	Turbine Design '21	▪ Designed space efficient wind turbine, potentially facilitating 10% of urban building's energy needs			
		▪ Delivered 30% enhancement in power output , through strategic piloting of innovative rotor designs			
		▪ Ranked top 10 among 70+ teams with 90% score & received commendations from Senior Professors			
Internship	Photogauge Jan-Jun'21	Recognition from CTO		Researched for \$3.09B tire manufacturer	Awarded a PPO (1/10 Interns)
		▪ Implemented novel tyre wear analysis using commodity cameras & saved \$250K for customer R&D			
		▪ Eliminated month-long calibration error bottleneck by resolving critical issue on experimental setup			
		▪ Produced precise wear reports with 100% OTD, prompted the client to extend \$500K pilot phase			
Certifications		Lean six sigma Yellow & Green belt – ISCEA		Wind energy – Technical University of Denmark	
PROFESSIONAL EXPERIENCE					
Design engineer		L&T Technology Services, Bengaluru			Oct '21 – May '24
3 SPOT Awards & 2 Client accolades		POC for \$100B Aerospace client		Endorsement from Project Manager	
Operational Efficiency		▪ Achieved less than 0.1% error rate on 8000+ quality checks , transcending client's 1% benchmark rate			
		▪ Managed model flow pipeline from suppliers to the digital mock-up, aided deliveries of 1400+ aircrafts			
		▪ Designed outdated equipment without supplier intervention & reduced client outsourcing cost by 50%			
Accelerated promotion to front-end stakeholder management, within 8 months, against 20-month standard					
Capability Enhancement		▪ Created repository with 20+ visual documentaries & minimized training time by 32 hours/employee			
		▪ Successfully mentored 11 team members & achieved 100% capacity utilisation rate within one month			
Quality Optimization		▪ Reduced recurring defects by 75% by analysing supplier quality patterns over 2yrs & developing SOPs			
		▪ Initiated & executed quarterly internal process audits, decreased the Y-o-Y compliance faults by 36%			
Non-Conformity Rating		▪ Classified & reported post-manufacturing non-conformities by severity, ensured safety of 60+ Aircrafts			
		▪ Delegated rework procedures on fuselage non-conformities using internal SOPs on AS9100 standards			
Stewardship		▪ Led the team at 70% capacity to handle load surge of 1.5X average, achieved record no. of deliveries			
		▪ Coordinated project's off-site transition, resolved operational blockades, sustained 0 SLA violations			
POSITIONS OF RESPONSIBILITY					
Motorsports Team	Technical Lead '21	▪ Led 40-member cross functional team to construct formula race car for national level competition			
		▪ Enhanced car's performance by reducing weight by 17%, while maintaining stringent safety standards			
		▪ Developed MSME network & achieved 40 % reduction in lead time for component manufacturing			
	Control Lead '20	AIR 7 among 60+ teams at Formula Bharat'19		Secured sponsorship of ₹20+L from 15+ sponsors	
		▪ Headed 10+ team members & delivered a 35% cost reduction in fabricating steering & brakes system			
		▪ Optimized steering & brakes for enhanced car manoeuvrability, improved handling precision by 28%			
Secretary, IIIE '19		▪ Managed ₹3L budget for industrial automation workshop involving students from 30+ institutions			
		▪ Organised 24 industrial engineering lectures, involving 30+ experts, with cumulative footfall of 2000+			
EXTRACURRICULAR ACTIVITIES					
Graded Musician Keyboard		▪ Rendered 2-hr music performance at 3 school cultural fests, attracted audiences of 1000+			2015
		▪ Achieved grade two in electronic keyboard music exam through Trinity College London			2014
Social Project NSS		▪ Led comprehensive rural survey across 200+ houses on day-to-day energy consumption			2018-19
		▪ Executed awareness & demo campaigns on domestic biogas setup for 400+ school students			
		▪ Reduced LPG consumption by 16% upon implementing biogas system in 7 households			
State Level Player Sports		▪ Captained high school basketball team in 5 state-level tournaments with 70% success rate			2015
		▪ Selected among 100+ students to represent the school at zonal level in the 3000m running			2014
