

EDUCATION					
Year	Degree		Institute	%/CGPA	
2027	MBA		IIM Lucknow	-	
2022	M Tech (Chemical Engineering)		IIT Kharagpur	9.36/10	
2020	B Tech (Chemical Engineering)		University College of Technology, Osmania University	8.80/10	
2016	Class XII-Telangana SBIE		Narayana Junior College	98.20%	
2014	Class X-Andhra Pradesh BSE		St Joseph C C Reddy High School	9.50/10	
ACADEMIC ACHIEVEMENTS					
Academic Excellence	▪ Consistently scored top two letter grades in 17/18 courses ; Secured SGPA 10 in final semester (M. Tech) Top three letter grades in 61/69 subjects (B. Tech) 598/600 combined marks of core subjects (11 th & 12 th)				
Competitive Exams	99.06%ile/2.93L+	AIR 142/14K+	AIR 581/14K+	AIR 4624/1.3L+	
	CAT 2024	GATE 2022	GATE 2020	TS EAMCET 2016	
Live Project - MBAHub, Btribe, 2025	Architected platform connecting 3K+ startups with 7.5K+ MBAs to unlock unmet short-term talent demand				
	▪ Benchmarked 20+ players and sized ₹25 Cr+ whitespace to shape strategic product scope and positioning ▪ Outlined roadmap targeting 32% adoption, 75% retention via persona-based GTM and onboarding flows ▪ Built 5Y financial model with 65% CAGR, ₹14 Cr Y5 revenue and 60% GM to shape growth capital plan				
Master's Project, IIT Kharagpur, 2022	Published research paper in <i>Inorganic Chemistry Communications</i> journal (Elsevier ; Impact Factor: 5.4)				
	▪ Synthesized a novel catalyst for photocatalytic degradation of dye molecules in the textile waste water ▪ Assessed 8 combinations , each via 5 advanced techniques to pinpoint the compound with best synergy ▪ Demonstrated 90% degradation of MB dye , showcasing significant potential for environmental solutions				
WORK EXPERIENCE					
Associate - Process Technology		UPL Limited, Gujarat		Jun '22 – May '25	
Project portfolio of ₹340+ Cr across 3 chemical sub-sectors			Recipient of Quarterly Safety Excellence Award (1/50+)		
Strategic PMO	▪ Spearheaded 3 brownfield projects across diverse sub-sectors to deliver 8 plants with 5K+ tonnes/yr ▪ Directed E2E plants commissioning with 0 lost time injuries in compliance with global safety standards ▪ Reduced project capital costs by 5% by delivering 90+ process diagrams with engineered value additions				
Process Excellence	▪ Analysed 450+ production batches to identify inefficiencies, driving the yield improvements by 20% ▪ Accelerated manufacturing efficiency by reducing cycle times 70% through process debottlenecking ▪ Optimized 15+ critical reactors using heat simulations, eliminating hotspots for enhancing process safety				
Risk Mitigation	▪ Streamlined operations by developing 75+ cause-effect matrices with interlocks for operational safety ▪ Enriched organizational knowledge by compiling 50+ SOPs & critical safety information across various sites ▪ Engineered 30+ safety mechanisms for plant equipment, reducing critical operational hazards by 80%				
Cross-Functional Collaboration	▪ Moderated safety studies with cross-functional teams, ensuring 100% compliance with safety protocols ▪ Drove cross-functional efforts with 6+ teams to commission plants, achieving complete launch readiness ▪ Trained 150+ field operators in commissioning phases, ensuring process KT & strict SOP adherence				
INTERNSHIPS					
Syntho Chirals Pvt Ltd, 2019	▪ Boosted production efficiency by 5% by standardizing SOPs for refining workflows across 10+ equipment ▪ Achieved 100% product quality compliance by performing 10+ analytical tests on the target compound ▪ Examined E2E API manufacturing process with field executives; presented key findings to the founders				
ONGC, HPHT Asset, 2018	▪ Researched condensate stabilization unit to enhance storage efficiency by reducing overall handling risks ▪ Elevated plants safety compliance across site by identifying 10+ risks during 50+ hrs of on-site assessment ▪ Enhanced technical communication by creating PFDs for CSU operations mapping 12 + equipment				
POSITIONS OF RESPONSIBILITY					
Co-ordinator, RACE-2020, OU	Organized first-ever International Conference on the golden jubilee celebrations of UCT, OU				
	▪ Managed over 25+ delegates, 1000+ participants across institutions, overseeing 5 technical competitions ▪ Streamlined 4 teams of 20+ members for organizing 50+ research paper and 90+ oral presentations				
Captain, Volleyball, 2017-19	▪ Served as the Captain of the batch volleyball team for 2 academic years, winning over 12+ matches ▪ Led the team to 2nd place in volleyball tournament out of 10+ teams, during the UCT annual sports meet				
Core Member, YUCTA, 2019	▪ Empowered 250+ girls by leading fundraising talent showcases at 4 schools for the social initiatives ▪ Coordinated COVID-19 awareness drives at 5 metro stations; distributed 2.5K+ masks to commuters				
EXTRACURRICULAR ACTIVITIES					
Martial Arts Competitions	First place	Kata Category	IX th A.P State Open Kung-fu & Karate Championship	2011	
	Second place	Sparring Category	A.P State-level Karate & Martial Arts Championship	2011	
	Second place	Kata Category	1 st Sports Jeet Kune-Do A.P State Level Championship	2012	
Quizzes	▪ Achieved 3rd place in the Quiz competition at the X th CSA Literary and Cultural Competitions				2013
