

EDUCATION					
Year		Degree	Institute	%/CGPA	
2027		MBA	IIM Lucknow	-	
2023		B. Tech in Electronics Engineering	IIT (BHU), Varanasi	9.05/10	
2019		XII, CBSE	Modern Vidya Niketan Badkhal Faridabad	96.4	
2017		X, CBSE	Modern Vidya Niketan Badkhal Faridabad	10/10	
ACADEMIC ACHIEVEMENTS					
Internship offers: Google, Goldman Sachs & Cisco			Awarded 100% Scholarship in Tuition fee: Classes XI & XII		
Scholastic Accolades	▪ IR: 9/1400+ in 1 st Semester; offered branch upgrade from Chemical to Electronics department			2019	
	▪ Top 0.1% among 6.3L+ in Chemistry; awarded Certificate of Merit by CBSE in class XII boards			2019	
	▪ Zonal Rank 47 & 104 in finals of SOF Intl. Maths & Natl. Science Olympiad respectively			2015	
Competitive Exams	CAT 2024		JEE Mains 2019	JEE Advanced 2019	
	99.84% ile in 2.9L, (QA: 99.97%)		AIR 3608 in 12.3L, 99.68%ile	AIR 4663 in 1.6L	
Equity Research	▪ Analysed auto sector , benchmarked 4 co. to identify trends, KPIs, structural shifts & mkt. dynamics ▪ Built E2E fin. model for Hero MotoCorp with 5 yrs. FCFE & WACC calculations incl. 6 scenarios ▪ Conducted football field analysis using DCF & multiples ; BUY rating with 16% potential upside				
Algorithmic Programming	Top 0.28% among 7L+ on Leetcode		Top 2% among 2.6L+ on AtCoder		
	▪ Top 350 among 14L+ programmers globally on Codeforces on basis of volume of tasks solved (2900+)				
	Google Kickstart Round D '22		Meta Hacker Cup '21	Codeforces Round 803 (Div. 2)	
Research	83/8000+ globally		Intl. Rank: 1063/6K+ (Round 2)		
	ECG Labelling	▪ ML Research paper chosen for publication by Springer (international journal) in its SIST' series			2022
		▪ Top 15/450+ research papers presented in FICTA '22 conference, organised by NIT Mizoram			
		▪ Developed 98% accurate neural network for classifying ECG signals into 5 heartbeat categories			
COVID Detection	▪ Built neural network to detect COVID via chest CT scans , correctly predicting ~94% times ▪ Reduced patient discomfort & diagnosis time (6+hrs to <5min) compared to RT-PCR tests			2021	
WORK EXPERIENCE					
Software Engineer II		Google, Bengaluru		Jul '23 - Jun '25	
Awarded PPO by Google		SPOC : Google Pixel Chip Cache		Code automation saving 500+ man days	
Risk Mitigation	▪ Ensured on-time chip prod. & mobile roll-out to avert \$12M+ est. revenue loss by fixing 10+ memory issues ▪ Added 80+ checks to improve device testing software, saving potential ~\$6M loss due to device returns ▪ Decreased estimated mobile memory crashes by ~10K by enhancing probability of error detection by 300%				
Cost Optimisation	▪ Drove down OpEx by a potential ~\$100K , streamlining ops for HW engineers by automating code updates ▪ Accelerated mobile boot by 7% (300ms) to enhance UX & decrease est. customer support costs by \$400K				
Productivity Enhancement	▪ Reduced manual work by ~99% (2+ hrs to <1 min) for 100+ files by developing process automation tool ▪ Increased user retention by 20% & dec. user intervention by 66% by integrating supplier & consumer projects ▪ Engaged with 2 teams to identify manual bottlenecks & delivered 12 new features, saving 100+ man hours				
RSU award worth \$18K for "Outstanding Impact"		5 Peers & 2 Spot awards for high-impact tools			
Stakeholder Engagement	▪ Spearheaded SW design talks with 30+ Googlers across 6 cross-functional teams for process automation tool ▪ Offered users flexibility to generate 1500+ diff. tool outputs, enhancing UX (achieved internal CSAT: 4.6/5.0)				
Intellectual Capital Mgmt.	▪ Led 4 product demo sessions with 25+ stakeholders to showcase features, workflows & address FAQs ▪ Authored 35+ pages of product documentation as one-stop solution; cutting customer queries by 60%				
POSITIONS OF RESPONSIBILITY					
IIT BHU	Tech Sec., Udyam '22	▪ Onboarded multiple co. (Sensovision, Nullcon, Chisquarex, Silence Laboratories) as fest events' sponsors ▪ Managed team of 20 event coordinators , ensuring smooth conduct of 60+ workshops & competitions ▪ Boosted Udyam's brand, enrolling it on Unstop , gaining 5L+ impressions & 1K+ online participants			
	Event Lead, ICM '22	▪ Partnered with CodeChef (10M+ users) to host International Coding Marathon (ICM), attracting global talent ▪ Drove 400%+ YoY surge in registrations (3K to 13K) through user-focused content & timely notifications			
	Sr. Lead, COPS, '21 - '22	▪ Created over 65 min+ of content teaching technical concepts, garnering 8K+ views for club's YT Channel ▪ Contemplated, crafted & tested tasks for programming selection test , featuring headcount of over 200+ ▪ Mentored 40+ juniors ; introduced them to programming via online contests & over 6 hours of sessions			
EXTRACURRICULAR ACTIVITIES					
Silver medal for IIT BHU at Spardha '21		Designed height-adjustable wooden telescope			
Cricket	▪ Adjudged best batsman in Spardha '21 & Intra-Freshers' cricket Tournament '20 for highest run tally ▪ Represented IIT BHU in Udghosh '22 (IIT K) & Aavhan '23 (IIT B); Top 4 among 12 teams at Aavhan				
Dramatics & Abacus	▪ Performed street plays on public platforms to raise awareness on social issues & drive community engagement ▪ 1st Runner-up in level 1 in SIP Abacus , Brain Gym & Mental Arithmetic Compt. for strong mental performance
