

EDUCATION				
Year		Degree	Institute	CGPA/%
2027		MBA	IIM Lucknow	-
2021		BTech in Mechanical Engineering	IIT Bhubaneswar	7.79/10
2017		XII (BIEAP)	Sri Chaitanya Junior College Srikakulam	98.4
2015		X (BSEAP)	Keshava Reddy school	9.3/10
ACADEMIC ACHIEVEMENTS				
Competitive exams		CAT- 2024	JEE Mains-2017	JEE Advanced-2017
		98.25%ile/ 2.93L+	Top 0.5%ile/ 11.8L+	Top 5.5%ile /1.59L+
Sch. accolades		Secured AIR 230/62K + in GATE’25 mechanical	State Rank 1251 among 1.9L+, AP EAMCET’17	
Sch. accolades		Ranked top 3 out of 1000+ in class 12th exam		Secured top 3 grades in 41/61 courses during BTech
Certifications		Certified with Lean Six Sigma Green Belt by ISCEA, scoring 81% in the qualifying exam		
		2025		
Projects	Synthetic jet	- Designed synthetic jet for electronics cooling; reducing 80% power, 50% space over traditional solutions - Developed an ML model with 95% accuracy to predict jet performance, reducing design time by 70% Optimized actuation parameters using ML, enhancing jet focus by 30% for cooling of compact electronics		
	ISCEA Six Sigma	- Analysed robotic arm issues causing 85% of downtime in automotive assembly using Six Sigma tools - Identified root causes; proposed condition monitoring, pause time fixes to cut downtime by 40%, saving ₹2.9Cr		
Intern.	Vardhan Consulting Engineers	- Analysed Tata Nexon EV's performance & economic feasibility across 10+parameters in a detailed study - Conducted lifecycle cost comparison with 3 ICE & hybrid models; found ₹3L savings in operating cost - Highlighted high upfront cost of ₹17L vs. 10+ peers & charging infra limitations as key adoption barriers		
WORK EXPERIENCE				
Senior Assistant Engineer		NTPC, Talcher Kaniha		June '23 – June '25
Led shift operations of a 500MW unit		Best Performer Award from Plant Head		Accolades from senior leadership
Revenue Optimization	- Performed real-time load control actions to support grid stability, generating ₹10L to plant revenue Prevented ₹70L+ loss by identifying early deviations in 10+ critical parameters, averting potential outage - Optimised boiler performance by controlling key parameters; red. coal usage by 3%, saving ₹80L/year			
Operational excellence	- Delivered 5% auxiliary power reduction via optimised idle equipment management, enhancing net output - Achieved 100%-unit availability by ensuring backup equipment readiness & monitoring critical systems Economized ₹2Cr+ savings p.a. by optimizing plant eff. through strict adherence to design parameters			
ESG Impact	- Minimised oil consumption by 4% by revamping unit restart procedures, cutting down emissions by 5% Reduced water consumption by 5%, implementing coal-usage based ash disposal saving ₹6Cr+ annually - Facilitated 100% ash utilization via timely disposal & dispatch coordination; cutting waste footprint by 10%			
Spearheaded energy optimization project to reduce Auxiliary Power Consumption using Lean 6σ tools				
Leadership initiatives	Led a team of 30+, implemented daily inspections & RCA-driven fixes, reducing safety deviations by 85% - Coordinated with 6+departments to execute unit overhauling; reducing breakdown incidents by 50% - Reduced new hire ramp up time by 1.5 weeks; Digitized system trainings and created 20+ handbooks			
POSITIONS OF RESPONSIBILITY				
Vertical Manager, IIML	- Facilitated on ground ops. of 41st IIML. Foundation day sports tournament with a footfall of 800+ - Oversaw scheduling & maintained logistical requirements for 8+ sports events, decreased man hr by 10%			
Core Head, E-summit, 2020	Spearheaded 5+ events with ₹15L budget		Drove 20% revenue growth by launching school-level competition	
	Spearheaded 5+ events with ₹15L budget; Coordinated 30+ team members to ensure seamless execution - Organised 5 entrepreneurship workshops/talks with 5+ industry experts, attracting a footfall of 800+ - Ideated a high school level competitive exam, boosting footfalls over 2x & driving 20% revenue growth			
Core member, Social welfare society, 2019	- Designed marketing campaign to support the Kerala Chief Minister's Distress Relief Fund raising ₹34000 - Organised blood donation camp along with HDFC bank & received blood donations from 500+donors - Led a cloth donation drive, collecting and distributing 800+ clothes to 100+ underprivileged families			
EXTRACURRICULAR ACTIVITIES				
Secured 3 podium finishes in Cricket tournaments			Garnered 500+ Views on blog	
Cricket	Finalists among 6+ teams		Finalists out of 4 teams	Champions out of 16 teams
	General Championship’19		Inter-region sports meet’25	inter-dept cricket tournament’24
Writing	Attracted 500+ views by authoring clear, engaging blog content on ML topics for PAICA Boosted reader retention by 30% via real-world analogies & visual aids in technical content			2020
Robotics, IIT Kharagpur	Designed an Arduino based autonomous vehicle for real-time obstacle detection & navigation - Achieved successful obstacle avoidance by integrating real-time accelerometer feedback			2022
