

KARRI HIMA SATYA HEMANTH

Male, 25

EDUCATION				
Year	Degree	Institute	%	
2027	MBA	IIM Lucknow	-	
2022	B.Tech in Mechanical Engineering	NIT Warangal	71.60	
2017	XII (Board of Intermediate Education, AP)	Sri Chaitanya Junior College, Visakhapatnam	93.70	
2015	X (Board of Secondary Education, AP)	Sri Chaitanya School, Payakaraopeta	97.00	
ACADEMIC ACHIEVEMENTS				
3 rd in Formula Style EV Design Nationals		Merit Scholarship of ₹60K	1/10 to receive PPO (Samsung R&D)	
Scholastic Achievements	Pursued PGP in AI & ML from Great Lakes executive learning, top letter grade in 7/11 courses			2024
	Received merit certificate for excellent performance in final round INTSO English Olympiad			2015
	Consistently ranked among top 3/100+ for 4 years; received 8 badges for academic excellence			2011-15
Competitive Exams	CAT '24 - DILR	JEE Main '18	AP EAMCET '17	AP EAMCET '18
	Top 1.7%ile / 2.9L+	Top 1%ile/10.74L+	Top 1.3%ile /1.87L+	Top 2.1%ile /1.9L+
	Awarded ₹50K for clearing Level 2 of Samsung’s Software Competency Test, among the top 30% qualifiers			
MBA Case Competitions	Well NXT - Zydus (S&M track) Semi-Finalist (Top 13/521)	Futureforce Case – Salesforce Advanced till Round 2	Hindustan Unilever Ltd. Techtonic Individual Case - PPI	
Internship Samsung R&D	Designed 5 ML architectures to improve Bixby input comprehension via sentence segmentation methods			
	Built custom text dataset of size 1.5L & developed hybrid model with 84% accuracy & minimal latency			
WORK EXPERIENCE				
Senior Software Engineer		Samsung R&D Institute, Bangalore		Aug '22 – Jun '25
SME for 4 AI features - Galaxy S24 & S25		"Best Innovative Project" recognition from CTO		
Product AI Strategy	Engineered personalisation engine used across 10+ Samsung apps boosting feature engagement by 30%			
	Created 8 POC apps for showcasing research features to C-suite, 2 apps deployed for internal beta testing			
	Ideated & prototyped 4 AI features for Launch in Galaxy S26, contributing to 15% uplift in CSAT (beta)			
UX Enhancement	Led natural language search feature for videos in Gallery, improving UX & 20% faster content discovery			
	Enabled mobile rollout of AI engine by optimizing 4 KPIs: 5x speed, 3x read time, 30% RAM, 60% ROM			
	Architected AI model for video auto trim in Enhance-X app, scaled & deployed across 50+ Galaxy models			
Product Data Enablement	Directed data procurement worth ₹10L, constructed large-scale dataset (15K+ videos) for training AI			
	Achieved 15% cost savings by cutting data rejection to 25% via automated QC pipeline for data validation			
	Automated data annotation pipeline for 24K+ videos, reduced 4+ manual touchpoints, 40% efficiency ↑			
Granted 2 patents in 144 countries - WIPO recognized		1/30 of 1600+ to be awarded Samsung Excellence Award		
Innovation & Planning	Researched 10+ use cases on LLMs & GenAI features, insights fed into shaping 2026 product strategy			
	Finalist in Samsung Best Paper Award among 600+ submissions, for research on video event detection			
	Led gap analysis of 5 camera features across 100+ scenarios, identified 10 high-impact UX pain points			
Quality Assurance	Designed benchmarking framework using curated dataset addressing 150+ edge cases to evaluate 4 solutions			
	Achieved 98% unit test coverage across 20+ modules, cut QA escalations & post release bugs by 30%			
Mentor Samsung PRISM	Led 12 mentorship sessions (36+ hrs) & 4 milestone reviews, resulting in 80% milestone completion rate			
	Guided 4 student team on industry grade project over 6 months, aligning the output with R&D objectives			
POSITIONS OF RESPONSIBILITY				
Co-Founded first student Electric Formula team in NIT W		Onboarded 200+ campus ambassadors driving 20% fest reg.		
Design Head, Ronin Racing '19	Spearheaded 12-member team for core mechanical design, delivered production-ready design in 8 weeks			
	Facilitated 2-day design workshop for 65+ participants during college fest, generating ₹50K+ in revenue			
PR coordinator, Cultural Fest '19	Drove 25% YoY footfall growth (8K+ visitors), led online & offline publicity outreach across 40+ colleges			
	Oversaw fest's publicity by coordinating with 7+ media platforms, enhancing online visibility by 200%			
Core member Samsung Culture'24	Organized 10+ team building initiatives for 78 members, managing ₹10L budget to drive team cohesion			
	Partnered with leaders on 15+ initiatives, addressing 12+ workplace issues; elevated Culture Index scores			
Secretary Photography '20	Supervised 15+ photo tours, competitions & 3 day editing workshop, driving 20% inc. in club engagement			
	Served as SPOC, driving 600+ entries for photo submission contest, scaled up participation by 25% YoY			
EXTRACURRICULAR ACTIVITIES				
Cyber Security Club	Crafted 12+ custom Linux pen testing scripts & tools, designed CTF puzzles attempted by 250+ students			
	Managed club’s social media handles, publishing 30+ cybersecurity posts with 10K+ cumulative reach			
Youth Red Cross	Executed outreach visits to 3 orphanages, benefiting 150+ children through donations and charity events			
	Organized mega blood donation camp at NIT Warangal, driving record participation of 1,205 students			
Student Mentorship	Conducted classes in 4 STEM subjects for 350+ students in 4 govt schools, tutoring for 3 qualifying exams			
	Designed 10 structured learning modules, simplifying academic content to boost conceptual understanding
