

EDUCATION				
Year	Degree	Institute	%/CGPA	
2027	MBA	IIM Lucknow	-	
2023	B.E in Aerospace Engineering	BMS College Of Engineering, Bangalore	7.16/10	
2019	Karnataka PU Board	Christ PU College, Bangalore	93.50	
2017	KSEEB	Holy Family School, Sindhanur	96.00	
ACADEMIC ACHIEVEMENTS				
Academic Accolades	- Consistently secured 1st Position for 8 consecutive years from grade 3 to 10; received LOR from Principal District Collector felicitation for being district highest scorer in SSLC examinations from SC community - Scored 90% & above in 6/6 subjects in PU & KSEEB; Ranked 1st in mathematics, 99/100 in class X			
Competitive Exams	Top 1.4%ile/1L+	Rank 25/30K+	Top 9%ile/1.5K+	Top 6%ile/1.9L+
	NIACL-2025	PGCET-2024	SEBI-2024	CET-2019
Winner - National Essay Competition		Highest Grade in 2/4 sub in Sem 8	₹49K Govt. Merit Scholarship	
Portfolio Mgmt.	Managed equity portfolio of ₹2L+ yielding 13.91% average annual returns; beat nifty by 8.52% (2023) - Generated 15% return in single month trading derivatives; executed trades totalling ₹1Cr+ over 4 years			
Certifications	FMVA	Financial Reporting	Equity Stock Market	Investment Mgmt.
	KOED	IIT Roorkee	SWAYAM-IIMB	IIT Kharagpur
INTERNSHIPS				
Business Development Intern		Grahm Realty Pvt Ltd, Bangalore	Mar '25 – May '25	
Sales & Advisory	Offered personalised advisory to 50+ clients aligning solutions with individual needs aiding ₹1Cr+ in sales - Increased sales team productivity by 24% by creating interactive KPI dashboards, red. dependency by 50%			
Realtor Partnerships	Negotiated strategic agreements with 5 realtors (incl. Godrej, Prestige), increased profit potential by 25% - Engaged with 70+ builders; built repository of 500+ projects streamlining responses to customer inquiries Categorized builders on 3-tier scale conducting site visits spanning 30+ areas, reviewed quality on 8 KPIs			
Apprenticeship		Recaero India Pvt Ltd, Bangalore	May '23 – June '23	
POC Dassault, Airbus, Saffran		LOR from DGM-Production	Liaison for 3 Departments	
Process Optimization	Validated 300+ aircraft parts via defined test & compliance protocols; ensured 100% quality conformance - Structured & reorganized tool room with 25+ tool kits, standardised layout to reduce tool retrieval time Analysed trends across 6 KPIs to optimize resource allocation, enhanced operational efficiency & planning			
POSITIONS OF RESPONSIBILITY				
Organised 4 Seminars		Invited ex-ISRO Scientists	2 Project Exhibitions	
<i>Club Head '23, Upagraha</i>	- Headed 30+ member team, defined 8 club objectives & established milestone-driven timeline for 1 year Delivered 2 events at Phase Shift, tech-fest of BMS with 2.5K+ footfall, attracted 100+ participants/event			
<i>Coordinator '21, Phase Shift</i>	Managed event logistics & execution for perfect pitstop, a phase shift event attracting 200+ participants - Coordinated 5 vendor & sponsor partnerships for execution & setup of in-campus food & merch stalls			
<i>Member '22-23, Racing Club</i>	- Researched & shortlisted 10+ potential sponsors as outreach leads as part of the racing club corporate team Improved operational efficiency via 50% reduction in no. of teams & streamlining workflows & processes			
ACADEMIC PROJECTS				
Fabrication of Polymers-2023	Led 4-member team reviewing 400+ pages exploring low-cost fabrication technique for reinforced plastic - Streamlined lab schedules, reduced project TAT by 8% through elimination of 4 key process bottlenecks Reduced ~15% fabrication costs through scalable lightweight design in aircraft parts, opted 1 of 6 methods			
Thermal Analysis-2022	- Headed a 5-member aerospace team in documenting material viability for hypersonic re-entry vehicles - Evaluated 6 coatings for NASA re-entry vehicles & identified best match, reduced thermal fatigue by 10% - Conducted simulations of materials, achieved 4/5 objectives subject to extreme space conditions(~3500°C)			
Transmission of Stress-2022	Tested 100+ material combinations using quantitative model to identify optimal pairing to mitigate stress Resolved 2 critical design flaws by testing material variants, red. potential aircraft impact damage by 10% - Optimized workflow through reduced input complexity, minimized process configuration time by ~20%			
EXTRACURRICULAR ACTIVITIES				
Volunteer, InAmigos	Raised ₹10K+ via donor outreach, providing books & better learning spaces to underprivileged children - Contacted 100+ businesses & 200+ homes as volunteer; mobilized support for social impact programs			
2nd Place - 100m Sprint		1st Place – Volleyball	Brown Belt – Karate	
Leader, School Team	Led student unit of 150+ to championship in an intra-school sport, cultural & academic competitions Optimized student engagement & academic schedules for 5 classes, leading to 10% rise in participation			
Singing	Performed in Cadenza & Beat 4 Bars in UTSAV, BMSCE a cultural extravaganza with an audience of 1K+ - Garnered 6.3K+ views on YouTube uploading 2 cover-song videos; accumulated 300+ subscribers base			
Quizzing	Silver medallist (1/70+) moral science exam conducted by Ballari Diocesan catechetical commission (2017) - Runners-up among 200+ participants in a Quiz competition in 8th mile'20, a National Techno-Cultural Fest
