

EDUCATION				
Year	Degree	Institute	%	Ranks
2027	MBA	IIM Lucknow	-	-
2022	B.E in Electrical and Electronics	PSG iTech, Coimbatore	90.80	IR 11/5610
2018	Tamil Nadu HSE Board	KVMHSS, Coimbatore	91.67	-
2016	Tamil Nadu SSLC Board	KVMHSS, Coimbatore	97.20	State Rank 14/10.1 L+
ACADEMIC ACHIEVEMENTS				
Intl' Publications, 2019	- Published paper in IJITEE to detect & classify underground elec. cable fault, ↓ detection time by 40% - Presented conference paper on reducing induction motor failure by 30% through numerical relay design			
Awards	- Secured 1/100 in intra-college hackathon for designing novel tech solution using ML in 3 days - Achieved 1st place in district level science & maths aptitude test out of 2K+ participants			2019 2015
Projects	- Won 1/70 in college for project proposing automatic solar panel cleaning & alerting in ML - Developed electric smart meter reading automation project for expo, securing 1/30 students - Designed & implemented algorithm to increase solar current by 45% in cells partial shading			2019 2021 2022
Internship (Dotworld Tech Pvt. Ltd.), 2022	Best intern of the year/30	LOR from CEO	1/ 10 to receive PPO	
	- Fixed major vulnerability in international surveillance project and increased its security posture by 20% Proposed DB for handling large data (2 TB) & ↓ 20% cost which got approved & adopted company-wide			
WORK EXPERIENCE				
Applications Developer		Oracle Financial Services Software, Bangalore		Jul '22 – Jun'25
2x increase in client volume		SPOC for 2 Fortune 500 companies	1/40 to get fast-track promotion	
Business Development	- Onboarded 6 new clients to new product by developing UI to calculate carbon emissions for reporting - Created 3 cloud-native climate risk analytics dashboards; ↑ client's data-driven decision-making by 40% - Spearheaded product delivery for intl. bank client as SPOC, completed 98% tasks 20% ahead of target time			
Product Strategy & Execution	- Built strategies using scenario generation (1k+cases) & reduced potential failures by 15% in 3 products Saved non-compliance costs by leading E2E product security framework designing & ↑ resilience by 25% - Ensured business continuity by enabling >99% data availability through automated rollback recovery			
Received highest appraisal ratings consistently for 3 years		Best Contributor for half year cycle twice		
Performance Optimization	- Designed rule-based engine to automate client alert & ↓ 40% manual ops & saved 50+ manhours/week - Led critical database optimization by ↑ query performance by 30% & ↓ compute resource usage by 10% - Improved client experience of user dashboard and enhanced CSAT by 12% by reducing load time to 50%			
Stakeholder Management	- Streamlined handoff & coordination with QA team, improving release velocity by 20% over 18 releases Reduced misalignment & rework by 40% by collab. with 3 CFT's facilitating functional aligning sessions Saved 20+ manhours/week by writing 30+ feature docs across 4 products; ↓ error analysis time by 35%			
POSITIONS OF RESPONSIBILITY				
Treasurer, NSS, PSG iTech, '19	- Planned & executed 7-day village dev. plan with 4 initiatives like sanitation & renovation for 200+ people - Conducted vocational skill workshop benefitting 300+ govt. sch. students for 3 tech tools in 2 villages			
Secretary, EEE Assoc., '20	Introduced monthly newsletter to highlight department's innovative projects & ideas of 250+ students - Coordinated with IEEE chapter to organize IoT & embedded systems workshop for 100+ participants			
Event Organiser, Tech fest, '19-'20	Led sponsorship team and acquired ₹200K+ funding from 5 external organizations Generated ₹70K+rev. in 2 years by conducting 3 technical workshops incl. PLC for 300+ 1st time learners - Analysed 8 event plans across EEE dept. to gauge response basis participation; saved ₹35K+ in op. costs			
Secretary, ISTE, '21	Upskilled 300+ students via practical workshop with 6+ industry experts on elec. engineering concepts - Led immersion with 350+ students & 7 subj. experts from 3 domains to foster entrepreneurship mindset			
EXTRACURRICULAR ACTIVITIES				
Awards & Quizzing	Achieved Blue Belt (Level 5) in Karate		Cleared level 3 in state level quiz & won cash prize	
	Consistently won 1st place in general/science quizzes across 3 editions (250+ participants)			2016
	Awarded 1st place in college-level natural photography contest among 500+ participants			2019
Social Impact	Secured 1st place in inter-college technical quiz out of 1500+ students across 20+ institutions			2021
	Organized blood donation drive & collected 120+ units from 150+ donors via YRC in college			2019
	Led flood relief for 800+ families ; managed logistics & distribution across 3 affected villages			2019
	Supported COVID relief by distributing essential kits in 5+ villages helping 1000+ people			2020
