

EDUCATION				
Year	Degree	Institute	%	Ranks
2027	MBA	IIM Lucknow	-	-
2022	B.E in Electrical and Electronics	PSG iTech, Coimbatore	90.80	IR 11/5610
2018	Tamil Nadu HSE Board	KVMHSS, Coimbatore	91.67	-
2016	Tamil Nadu SSLC Board	KVMHSS, Coimbatore	97.20	State Rank 14/10.1 L+
ACADEMIC ACHIEVEMENTS				
Intl' Publications, 2019	▪ Published paper in IJITEE to detect & classify underground elec. cable fault, ↓ detection time by 40% ▪ Presented conference paper on reducing induction motor failure by 30% through numerical relay design			
Awards	▪ Secured 1/100 in intra-college hackathon for designing novel tech solution using ML in 3 days ▪ Achieved 1st place in district level science & maths aptitude test out of 2K+ participants			2019 2015
Projects	▪ Won 1/70 in college for project proposing automatic solar panel cleaning & alerting in ML ▪ Developed electric smart meter reading automation project for expo, securing 1/30 students ▪ Designed & implemented algorithm to increase solar current by 45% in cells partial shading			2019 2021 2022
Internship (Dotworld Tech Pvt. Ltd.), 2022	Best intern of the year/30	LOR from CEO	1/ 10 to receive PPO	
	▪ Fixed major vulnerability in international surveillance project and increased its security posture by 20% ▪ Proposed DB for handling large data (2 TB) & ↓ 20% cost which got approved & adopted company-wide			
WORK EXPERIENCE				
Applications Developer		Oracle Financial Services Software, Bangalore		Jul '22 – Jun'25
SPOC for 2 Fortune 500 companies		Delivered 300+ stories in 50 sprints	1/40 to get fast-track promotion	
Performance Optimization	▪ Achieved 12% CSAT improvement by halving latency (<0.49 ms) of client analytics page with 10K+ users ▪ Refactored critical DB operations to ↑ query performance by 30% & ↓ compute resource usage by 10% ▪ Designed rule-based engine to automate client alert handling, ↓ manual ops & saved 50+ manhours/week			
Business Development	▪ Onboarded 6 new clients to new product by developing UI to calculate carbon emissions for reporting ▪ Served as SPOC for international bank client fulfilling 98% deliverables in 20% ahead of SLA deadlines ▪ Created 3 cloud-native climate risk analytics dashboards & ↑ client's data-driven decision-making by 40%			
Product Strategy & Execution	▪ Demonstrated 15% reduction in deployment failures, designing robust test framework (1k+ scenarios) ▪ Ensured business continuity by enabling >99% data availability by automated rollback recovery system ▪ Led E2E product security initiative improving security framework, mitigating risks; ↑ resilience by 25%			
Received highest appraisal ratings consistently for 3 years		Best Contributor for half year cycle twice		
Stakeholder Management	▪ Streamlined QA handoffs and coordination; ↑ release velocity & feature TTM by 35% over 18 releases ▪ Collab. with 3 CFTs to facilitate requirement sync sessions, reducing misalignment & rework by 30% ▪ Enabled 97% delivery across 3 projects, resolving workflow inefficiencies(10+) for product-sales team			
Capability Enhancement	▪ Improved dev onboarding efficiency by 15%, centralizing KT repository (20+ SOPs/ 25+ workflows) ▪ Authored 13+ feature docs across 4 products, ↓ RCA time by 35%; saved 40+ manhours/week; 2k+ hits ▪ Accelerated onboarding of 4 hires, enabling independent handling of 3 modules via KT within 6 weeks			
POSITIONS OF RESPONSIBILITY				
<i>Treasurer, NSS, PSG iTech, '19</i>	▪ Planned & executed 7-day village dev. plan with 4 initiatives like sanitation & renovation for 200+ people ▪ Conducted vocational skills workshop benefitting 300+ govt. sch. students for 3 tech tools in 2 villages			
<i>Event Organiser, Tech fest, '19- '20</i>	Led sponsorship team and acquired ₹200K+ funding from 5 external organizations ▪ Generated ₹70K+ rev. in 2 years by conducting 3 technical workshops incl. PLC for 300+ 1st time learners ▪ Analysed 8 event plans across EEE dept. to gauge response basis participation; saved ₹35K+ in op. costs			
<i>Secretary, EEE Assoc., '20</i>	▪ Introduced monthly newsletter to highlight department's innovative projects & ideas of 250+ students ▪ Coordinated with IEEE chapter to organize IoT & embedded systems workshop for 100+ participants			
EXTRACURRICULAR ACTIVITIES				
Awards & Quizzing	Achieved Blue Belt (Level 5) in Karate		Cleared level 3 in state level quiz & won cash prize	
	▪ Awarded 1st place in college-level natural photography contest among 500+ participants ▪ Consistently won 1st place in general/science quizzes across 3 editions (250+ participants)			2019 2016
Social Impact	▪ Organized blood donation drive & collected 120+ units from 150+ donors via YRC in college ▪ Led flood relief for 800+ families; managed logistics & distribution across 3 affected villages ▪ Supported COVID relief by distributing essential kits in 5+ villages helping 1000+ people			2019 2019 2020
