

EDUCATION					
Year		Degree	Institute	%/CGPA	Rank
2027		MBA	IIM Lucknow	-	-
2022		B.E. in Computer Science	RVCE, Bengaluru	9.49/10	DR 17/201
2018		Karnataka State PU Board	VVS Sardar Patel PU College	97.67	IR 8/227
2016		ICSE	Bunts' Sangha RNS Vidyaniketan	97.17	IR 2
ACADEMIC ACHIEVEMENTS					
AIR 8/1.68L+ ICSE (Grade 10)			15+ citations across IEEE & Scopus-indexed publications		
Scholastic Accolades		- Perfect GPA in 8th sem; top 2 grades in 47/50 courses across 8 sems incl. AIML & Neural Networks - Scored 100/100 in Computer Applications Class X; earned perfect score in 3/6 subjects in class XII			
Competitive Exams		School Rank 1, State Rank 344	School Rank 1, State Rank 217	State Rank 177	
		IMO Math Olympiad 2015	NSO Science Olympiad 2015	IMO Math Olympiad 2014	
		Rank 120/1.46L+ candidates	99.1%ile/10.43L+ candidates	AIR 10989/1.55L+ candidates	
		KCET 2018	JEE Mains 2018	JEE Advanced 2018	
Industry Projects	ISRO 2021	- Trained deep-learning model on 50 satellite images to classify land zones, ↓ annotation time by 60% - Integrated outputs into dashboards with scientists; reduced land-use mapping time from ~10 days to 2 days			
	Samsung 2022	- Selected top 50/700 for Samsung PRISM research; led a research team of 4 on real-time video streaming - Built ML-driven streaming optimizer to cut latency & lag spikes by 50%, delivering smoother live video			
	SCII 2022	- Secured ₹1L funding with a team of 5 to engineer an ML invoice parser, achieving ~85% extraction accuracy - Ran client workshops to shape requirements and launch a web tool, ↓ manual invoice processing 90%			
WORK EXPERIENCE					
Applied AI ML Associate		JP Morgan Chase & Co., Bengaluru		Aug '22 – June '25	
SPOC across four projects worth \$7M		3× Best Performer Award		Cost optimisations of \$100K/year	
Platform Strategy		- Developed financial RAG and agents SDK used by 15 clients to launch custom AI solutions; ↓70% TTM - Reduced environment setup time by 80% & accelerated project kick-offs by creating LLM platform kit - Automated credential rotation through vault integration for 400K devices; ↓downtime 500+ hrs/year			
Process Optimisation		- Simplified device registration by building a unified portal for 12 vendors, cutting onboarding time by 95% - Performed server upgrade & platform refactoring to scale authentication capacity 2× (100K→200K devices) - Accelerated audit cycles & reclaimed 20 work-hrs/qtr. by deploying AI chatbot trained on 10k+ queries			
Highest rated associate (1/45) for two consecutive years			1/25 of 400 new grads to earn 6L special bonus		
AI/ML Products		- Built NLP engine analysing earnings calls, news & employee reviews; increased trade-pick accuracy by 7% - Guided portfolio rebalancing generating +15 bps monthly alpha via 5 ML models on 300+ market factors			
System Reliability		- Reduced authentication time by 65% by improving DB schema & queries to improve device connectivity - Enhanced release reliability by eliminating 93% of manual UI testing through comprehensive automation			
Knowledge Management		- Supported stakeholder alignment and led story writing and sprint planning for 60+ biweekly sprints - Created PRDs & curated product roadmaps in collaboration with 10+ PMs across cross functional teams			
POSITIONS OF RESPONSIBILITY					
Program Lead, JPMC, 2022-25		- Onboarded 1k+ graduate engineers in a week-long induction program, securing 98% satisfaction rating - Coordinated the execution of internal hackathon, managing logistics for 85+ teams and 330+ employees			
Core committee, RVQuizCorp, 2021-22		- Spearheaded fundraising and secured ₹1.75L from 6 sponsors including SBI for 3-day flagship quiz festival - Executed targeted digital and on-campus outreach, boosting quiz-fest participation by 30% to 800+ teams - Coached 80 volunteers to host 10+ inter college quizzes for 1k+ participants, boosting student engagement			
Campus Coordinator, YuvaSpark, 2022		- Galvanized 200+ students department-wide to join orphanage volunteering drive, expanding NGO reach - Tutored 50+ underprivileged children and led a social-media fundraiser raising ₹2L for pandemic relief			
EXTRACURRICULAR ACTIVITIES					
Quizzing		- Won TCS TechBytes Bengaluru regional round twice (1/500+ students); received ₹22K 1/12 to compete in Tata Crucible Karnataka cluster, securing 2nd place & cash prize of ₹18K			2021-22 2021
Volunteering		- Volunteered 150+ hours teaching govt. school students to bridge post COVID learning gaps - Organized blood donation camp and managed logistics, successfully engaging 250+ donors			2021 2024
Student Mentor		- Mentored 200+ capstone teams as 1 of 3 industry advisors, fostering innovative project designs - Distilled insights on agile methodology in practise to 250+ students by conducting workshops			2024 2025
