

EDUCATION						
Year		Degree	Institute	%/CGPA		
2027		MBA	IIM Lucknow	-		
2024		B.Tech in Mechanical Engineering	IIT Delhi	7.16/10		
2020		Class XII CBSE	Amity International School, Delhi	96.4%		
2018		Class X CBSE	Vishwa Bharati Public School, Noida	94.2%		
ACADEMIC ACHIEVEMENTS & INTERNSHIPS						
Competitive Exams		Top 0.13% ile /2.93 L+	Top 0.4% ile /10.23 L+	Top 1% ile /1.5 L+	AIR 65 & Gold medallist	
		CAT 2024		JEE Mains 2020	JEE Advance 2020	NSTSE 2020
		▪ Received Silver Medal amidst 10 nations in the Amity International Olympiad for Mathematics				2020
		▪ Ranked in Centre top 10% of 95+ candidates in NSE in Chemistry & Physics conducted by IAPT				2019
Research Paper		▪ Qualified UP state round and selected for the national level of National Talent Search Exam				2018
		▪ Authored paper on chaos control in mechanical systems presented at 26th ICTAM held in Korea				2024
Certifications		▪ Explored viscous damping effects on chaos to reduce inefficiencies and increase lifespan in systems				
		▪ Completed 6 finance courses including Corporate Finance & Capital Markets from CFI(Coursera)				2025
Internships		▪ Completed Equity Research & Fin. Modelling course discussing IPO & M&A transaction(Forevision)				2025
		KRI BHCO Ltd., 2022	▪ Recommended 10+ failure prevention measures by mapping equipment downtime patterns across 5 plants			
			▪ Created a spare parts forecasting model using historical data to optimize inventory costs and scheduling			
			Chawtech Sol., 2023	▪ Developed booking platform enabling customer package selection and streamlined query generation		
▪ Designed 5+ custom APIs for doctor-patient application, facilitating faster patient data collection process						
WORK EXPERIENCE						
Software Engineer		FulfillmentIQ, Bangalore		Jun '24 – Jun '25		
Saved 200k+ man hrs. via custom AI tool		\$4M+ annual savings on B2B freight		LOR from Product Strategy Director		
AI & Automation		▪ Developed app automating shipping docs., saved ~\$70k across 1K+ shipments , cutting errors & delays				
		▪ Cut manual ops by ~90% by building customizable rule engine to automate shipment actions and alerts				
Platform Architecture		▪ Delivered AI tool converting 200+ page unstructured compliance guide data into rules, saving 1K+ hrs./doc.				
		▪ Mitigated penalties by 60% by automating compliance engine validating end-to-end supply chain processes				
Business Process Optimization		▪ Built B2B freight platform digitizing shipment flows with 100% visibility & saving 4% cost/shipment				
		▪ Enabled clients to define user types & 40+ data access levels by crafting flexible access control system				
		▪ Designed relay feature for seamless driver-to-driver transfers mid-delivery, cutting disruptions by 20%				
		▪ Reduced carrier payment TAT by 7 days by linking digital proof-of-delivery to milestone validation				
		▪ Created secure messaging portal with role-based access, improving coordination across 5 stakeholders				
		▪ Decreased processing time by 70% using smart order-retailer rule mapping using order details analysis				
POSITIONS OF RESPONSIBILITY						
Coordinated All India Queer Conference		Org. North India's largest tech fest		Achieved 300K+ social impressions		
Coordinator, VIBHINN, IITD '23		▪ Organized India's first college pride festival with 5 inter-university events and 20K+ footfall across 3 days				
		▪ Coordinated AIQC with 50+ Queer collectives & union debate with 6 diverse rights activists & advocates				
		▪ Spearheaded 3-tiered team with over 100 executives & volunteers across Admin, Logistics & Decoration				
Activity Head, TRYST, IITD '23		▪ Mobilized ground portrayal of Tryst'23 & executed thematic decoration achieving footfall of nearly 60K+				
		▪ Supervised 5 team heads coordinating Auto Expo & concert logistics & inventory serving 20K+ attendees				
Publicity Executive, Inter IIT '22		▪ Grew Instagram outreach by 300% achieving 6K+ followers on IITD sports page via targeted content				
		▪ Reached 200K+ views on YouTube platform by interviewing 50+ players and coaches from 22 IITs				
Mentor, IITD '23		▪ Guided 6 freshmen providing comprehensive mental and academic support throughout their first year				
EXTRACURRICULAR ACTIVITIES						
Sports		▪ Won silver medal for basketball in Sports General Championship competing against 11 teams			2024	
Space Innovation		▪ Invited to INSSDC nationals hosted by NASA after representing school & clearing qualifiers			2019	
		▪ Led Ops and Structural Design teams of 9 people designing space settlement for 10K+ people				
Creative Arts & Design		▪ Started a personal art page showcasing creative works with 30+ content pieces & 20K+ views			2025	
		▪ Organized 10+ workshops and ensured participation in events both inside and outside campus			2024	
		▪ Conceptualized art exhibition & wall painting for SAC hall inauguration with team of 15+ people			2024	
		▪ Coordinated 30+ person team to conceptualize and execute murals across 15+ hostel spaces			2023
