

EDUCATION				
Year		Degree	Institute	%, CGPA
2025- 2027		MBA	IIM Lucknow	-
2018-2022		B.E. Chemical Engineering	BITS Pilani, Hyderabad Campus	88.9 %
2016-2017		Class XII, CBSE	Alwar Public School, Alwar	93.2 %
2014-2015		Class X, CBSE	Army Public School, Ambala Cantt.	10 / 10
ACADEMIC ACHIEVEMENTS				
Indian Academy of Sciences Summer Fellow 2021 (Top 8%ile)			Secured PPO from Flipkart (5/20)	
Scholastic Achievements		CAT 2024	GRE 2024	National Olympiads
		99.61%ile / 2.9L+	325/340	Top 4% Nationally across 5 Olympiads
		▪ Top 2 in School for 5 years; Top 3 grades in 42/52 subjects in UG; Data Science Minor from BITS		
International Publications		Published 2 research articles on sustainability in Elsevier international journals		
		▪ Published ML-based toxic drug screening model (89% accuracy) for improved drug safety; cited 3x ▪ Authored a 2x cited study on clean fuel synthesis using economic catalysts; supports GHG reduction		
Internships	Flipkart 2022	▪ Liaised with key stakeholders to design last mile dashboard with 10+ KPI tracking across 1K+ hubs ▪ Diagnosed 50% productivity dip through time trend analysis; flagged frequent short breaks as key driver		
	IGCAR, Dept. of Atomic Energy, 2020	▪ Saved 50+ hrs by automating sensor metrics extraction for 18K+ data points using R programming ▪ Enhanced sensor performance analysis using ML models to reduce data dimensionality by 70% ▪ Analysed 50+ sensor response across 20+ gas compositions to select optimal Hydrogen leak sensor		
WORK EXPERIENCE				
Process Safety Engineer		ExxonMobil, Bengaluru		Aug '22 – Jun '25
Identified \$40B+ in Asset Loss Risk		Collaborated across 15+ geographies	Saved 100+ work-hrs via automation	
Asset Risk Valuation		▪ Uncovered \$900M+ additional asset value by revising valuation methodology for Australia facility		
		▪ Flagged \$90M+ overvaluation by collaborating with cost team to develop benchmarks for German asset		
Digital Transformation		▪ Rectified Mozambique JV insurance reporting via cross-site collaboration, correcting value by \$700M+		
		▪ Instituted E2E BI automation of insurance calculations of 100+ global assets, reducing 50+ work-hrs		
		▪ Saved 25+ hours by developing regulation-compliant in-house tool for fireproofing calculations		
		▪ Enabled timely implementation of 300+ risk controls via automation, decreasing backlogs by ~80%		
Awarded for being 1 st Risk Engg. for Canadian Portfolio			Prevented \$150K+ of potential losses due to fire hazards	
Risk Management		▪ Mitigated \$1M+ in projected net losses by assessing risk across 10+ global sites via 30+ simulations		
		▪ Developed Risk Assessment Schedule of 50+ safety studies for 3 projects, highlighting 150+ risks		
Stakeholder Management		▪ Flagged 20/60+ critical systems with operational risk by reviewing 200 change management records		
		▪ Liaised with Sr. Engineer and PM for safety software evaluation to identify 10+ critical improvements		
Resource Management		▪ Engaged JV partner QatarEnergy & Int'l operator to scope 50+ risks for safety workshop in Italy		
		▪ Strengthened team capabilities by training 4 early career engineers in critical hazard simulation studies		
		▪ Strategized scalable workflow to delegate work to EPC contractors, saving \$2K+ in project costs		
		▪ Examined new separation technology, driving ~80% efficiency gain & securing SME endorsement		
POSITIONS OF RESPONSIBILITY				
Fostered LGBTQIA+ inclusivity across 2K+ Employees			Managed 15+ events with footfall of 4K+	
Outreach Lead ExxonMobil PRIDE India '25		▪ Directed PRIDE month launches for 1K+ staff, ideated 5 new events, boosting registrations by 40%		
		▪ Proposed 5 DEI initiatives by assessing global best practices at 2024 Out & Equal APAC Forum		
		▪ Hosted 6 PRIDE booths for 700+ families on "Kids at Work Day" to build awareness on inclusivity		
Avionics Lead Team Janus '21 NASA Comp.		▪ Led Avionics lateral for can-satellite building competition held by NASA, reached Top 40 globally		
		▪ Optimized sensor selection & config ensuring 65% power margin for 2 extra hrs of satellite operation		
		▪ Mentored 11 students to global finals (Top 5/40+) via structured guidance and contest preparation		
Event Coordinator Chemical Assoc. '21		▪ Introduced flagship event, led outreach with design team support; attracting 200+ in debut edition		
		▪ Planned and executed alumni & faculty connects for 150+ students, garnering 90% satisfaction rate		
		▪ Generated ₹50K+ in sales via ideation and promotions of club-branded commercial merchandise		
EXTRACURRICULAR ACTIVITIES				
Hosted 10+ female leaders for women in tech Sessions			Conceptualized 3 Astronomy Events for Nat'l Fest	
Women Interest Network 2022-2024		▪ Launched Exxon India's 1 st Library for 3K+ staff; aided in portal dev. serving 100+ monthly requests		
		▪ Organised book club sessions with 40+ participants to raise awareness about Women Network (WIN)		
		▪ 1/100 among 2K+ employees selected to participate in Society of Women Engineers Conference		
Throwball Captain 2018-2022		Best Player awardee in 10+ matches		Podium finish at National level Sports Event
		▪ Captained 15-member team, built training plans, and drove off-field connects to strengthen team spirit		
		▪ Outlined throwball team roadmap at 2021 induction for 800+ freshers, recruited 10 new players		
Astronomy Club 2019-2022		▪ Educated 170+ rural students about space by curating 2 sky gazing sessions in partnership with NSS		
		▪ Spearheaded space-settlement strategy game at BITS fest; drew 300+ participants, 20% YoY growth
