

EDUCATION			
Year	Degree	Institute	%/CGPA
2025 - 2027	MBA	IIM Lucknow	-
2018 - 2022	B.Tech in Chemical Engineering	NIT, Warangal	7.54
2016 - 2017	CBSE Board (XII)	Kendriya Vidyalaya, Raebareli	91.60
2014 - 2015	CBSE Board (X)	Kendriya Vidyalaya, Raebareli	95.00
ACADEMIC ACHIEVEMENTS			
Appreciation by MHRD, GOI		9.5+ CGPA for 5 consecutive years	Scholarships worth ₹96K (by CSRL)
Academic Achievements	Selected among 100 students /2 states for CSRL Super 100, fully-funded JEE prep. program		2017
	NIT Warangal	Class XII (CBSE)	Class X (CBSE)
	Top 3 grades in 32/58 subjects		95+ in 3/5 subjects
Comp. Exams	JEE Mains '18; Top 2%ile/ 10.5L+ candidates		CAT '24; Top 0.45%ile/2.93L+ in Quantitative Aptitude
Academic Project	Designed end-to-end hydrogen production system leveraging solar thermochemical process Simulated a power generation system capable of producing 142 MW of power from heat		2021-22
Internship (Academy of Skill Development)	Improved design efficiency by 30% via 3D modelling of 100+ component heat exchanger Enhanced system performance by ~20% through simulation-based heat flow improvements Tested design performance under high temp. and flow conditions to ensure system reliability		2021
WORK EXPERIENCE			
Research Scientist (Manager)		Reliance Industries Limited, Navi Mumbai	Aug '22 – Jun '25
INR 70L+ Annual Savings		50% Efficiency Improvement	10+ Process Enhancements
Operational Leadership	Led a team of 5 to scale R&D operations from lab to pilot, enabling tech transfer and process scalability Delivered ₹20L+ savings through vendor negotiations & leveraging cost benchmarks for pre-pilot trials Performed RCA & ideated 3-stage process optimization to enhance quality, 17% ↑ in product purity		
Performance Enhancement	Ensured zero equipment failure for 6+ years by leading shutdown inspection of 50+ critical equipment Achieved ₹50L+ yearly savings by redesigning process flow to remove two energy-intensive operations 50% boost in equipment efficiency delivered through 5+ process refinements, cutting OPEX by 5L+pa		
Sustainable Product Development		CO2 Capture & Mitigation	Contribution in Circular Economy
Process Transformation	15% rise in experimentation, enabled ~35 proof-of-concept trials annually by streamlining lab protocols Drove 40% reduction in upstream OPEX through filtration optimization and strategic value engineering Attained 7x increase in feed concentration & reduced chemical use by introduction of a novel material		
Capability Building	Reviewed 100+ research papers and implemented for 10+ process improvements and design validation Enhanced efficiency of 5 critical lab assets by revamping SOPs & strengthening maintenance protocols Enabled 12 R&D GETs to achieve 100% success through coaching and performance-driven mentoring		
POSITIONS OF RESPONSIBILITY			
Volunteer, Reliance Foundation	Under RF 'Tactile Object Making' initiative, designed learning aids for 200+ visually impaired children As core member (1/25); organized sports initiative December to Remember event for 400+ underprivileged kids Organized Kahani, Kala, Khushi event to inspire 100+ children through storytelling and other activities		
Event Coordinator, RIL	Ensured smooth coordination & execution in organising Long Service Awards Event for 250 attendees Secured HR approval and organized RIL GET batch visits to 2 major petrochemical sites for exposure		
Vertical Manager, IIML	Facilitated on ground operations of 41 st IIML. Foundation day sports tournament with footfall of 250+ Oversaw scheduling & maintained logistical requirements for 8+ sports events, decreased man hr by 10%		
Executive Member, NSS NITW	Volunteered in a village outreach drive, donating blankets and clothing to 200+ underprivileged villagers Coordinated 5 awareness sessions on sanitation practices for rural families, impacting 100+ beneficiaries Actively contributed to 10+ cleanliness and tree plantation drives to help promote community hygiene		
EXTRACURRICULAR ACTIVITIES			
Competitions	Secured 1 st place in Brainsters, a current affairs quiz organized at district-level by FGIET Rbl Represented School in National Children Science Congress organised by Kendriya Vidyalaya		2016 2014
Recognition	Recognized and appreciated by team for mentoring & smooth on-boarding of new member		2024
Other Activities	Led safety drive, educating 50+ contract workers on plant safety protocols & risk prevention		2024
	Secured 1 st /120 position in the Debate Competition organized on R&D Safety Day event		2024
	Winner of the Badminton & Box-Cricket Tournaments in Annual Department Sports Week		2024
