

EDUCATION				
Year		Degree	Institute	%
2025 - 2027		MBA	IIM Lucknow	-
2018 - 2022		B.Tech in Mechanical Engineering	Walchand College of Engineering, Sangli	7.59/10
2016 - 2017		Maharashtra HSC Board	Vidyadham Jr. College, Shirur	56.77
2014 - 2015		Maharashtra SSC Board	Sant Nilobaray Vidyalay, Ralegan Siddhi	82.83
ACADEMIC ACHIEVEMENTS				
2x UPSC CSE Prelims Cleared		Awarded Scholarships worth ₹4L+		Achieved IR 3/150 in Class X
Scholastic Accolades	▪ 1/500 in General Knowledge Exam conducted by Vivekanand Foundation Ralegan Siddhi			2013
	▪ 1/110 from 6.4K+ applicants selected for State Institute for Administrative Careers, GoM			2024
	▪ Awarded Mahajyoti Merit Scholarship by GoM worth ₹1.5L+; selected from 11K+ applicants			2023
Competitive & Academic Exams	▪ Cleared UPSC Civil Services Prelims Exam (top 1.1%ile out of 13L+ for 2 consecutive years)			2025
	99.66%ile/68K+	90.11%ile/1.3L+	IR 1/150, 94/100	Top 3 grades in 44/70
	MAH-CET LLB '25	MAH MBA CET '25	Mathematics, Class X'15	B. Tech Mech '25
Projects	Greenhouse Automation	▪ Designed sensor-based smart system for automatic temperature & humidity regulation with 80% accuracy		
		▪ Enhanced crop o/p by 30% through optimal climate regulation & cost-effective climate control system		
	Finite Element Analysis	▪ Recommended 3 improvements to bicycle component, with potential product life span extension by 30%		
		▪ Enriched real-world performance by 25% by adjusting design to suit Indian uneven road & stress conditions		
		▪ Led 5-member team; completed project with 85% design accuracy, delivering 2 weeks ahead of schedule		
INTERNSHIP EXPERIENCE				
Junior Engineer		Hutatma Sugar Factory		Jun '22 – Jan '23
₹90L Additional Seasonal Revenue		Bestowed full time offer		Best Intern Award from Chairman
Engineering Management	▪ Designed & piloted shift-status tracker for 350 workers to improve visibility, decreasing shift delays by 20%			
	▪ Introduced vernacular material safety data sheets, digital checklists attaining zero safety incidences for 100 days			
	▪ Drafted plan to scale ethanol production from 35KL to 50 KL/day with ₹90L addl. seasonal revenue estimates			
Engineering Intern		Mahabal Metals		Mar '21 – Apr '21
Resource Optimization	▪ Reduced material rejection rate by 5% via root cause analysis & redesigning 5+ quality inspection checkpoints			
	▪ Conducted layout study and component movement optimization to improve workflow efficiency by 8%			
	▪ Studied E2E raw materials flow; identified 2 bottlenecks & suggested sequencing improvements as a fix			
Workshop Manager		Hare Madhav Motors		Nov '21 – Dec '21
Process Governance	▪ Optimized operations by reducing cycle time across 6 workstations, & improving throughput rate by 20%			
	▪ Streamlined service workflows by decreasing TAT, increased daily o/p by 20% & monthly revenue 15%			
	▪ Elevated 12% inc. in customer satisfaction via improved delivery reliability & structured process improv.			
POSITIONS OF RESPONSIBILITY				
National Rank 7/95 in DD Robocon		Sponsorships worth ₹50K+		Managed footfall of 1.8K+
Secretary, Robocon'21	▪ Led 25-member team and managed ₹5L+ resources reducing design costs via vendor-side optimizations			
	▪ Spearheaded Mechanical Design team & secured ₹50K+ in sponsorships by alumni & industry outreach			
Vice President Mech. Soc. '21	▪ Orchestrated 300+ alumni participation at Annual Alumni meet WCE, garnering total footfall of 800+			
	▪ Optimised registration and database management of event leading to a 20% increase in attendance YoY			
	▪ Aided 30+ pre-final year students with internship offers in local firms by leveraging industry connections			
Coordinator Techfest '20	▪ Led a 15 members Press & Correspondence Committee in VISION-19 (National Level Tech-Symposium)			
	▪ Managed footfall of 1000+ students & 100-acre campus decoration; targeted outreach to 20+ colleges			
EXTRACURRICULAR ACTIVITIES				
Flood Relief Activities	▪ Managed logistics and accommodation for 300+ flood victims within 48 hours of calamity			2019
	▪ Facilitated distribution of 5000 Kgs of food items and daily essentials worth ₹70K to victims			
Community Work	▪ Empowered 150+ villagers with 65 hours of technical training on financial fraud awareness			2023
	▪ Helped 300+ farmers to insure their crops on PMFBY; insured 500-hectare agricultural land			2024
Quizzing	▪ Won 1 st prize in quiz competition/500+ students & felicitated by social reformer Anna Hazare			2013
	▪ Finalist in 3+ & Semi Finalist in 3+ quiz and mystery competitions over period of two years			2019
Content Creator	▪ Garnered 1.1M+ views & 32K+ likes on Instagram, 33K+ views on YouTube as travel vlogger			2025
