

EDUCATION			
Year	Degree	Institute	%
2027	MBA	IIM Lucknow	-
2021	B. Tech in Computer Science Engineering	NIT, Silchar	76.6
2017	Class XII, Telangana State Board	Narayana Junior College, Hyderabad	93.1
2015	Class X, Telangana State Board	Dr KKR's Gowtham Concept School, Hyderabad	93.0
ACADEMIC ACHIEVEMENTS			
Competitive Exams	JEE Main '17	TS EAMCET '17	B.Arch. '17 (JEE Main)
	Top 1.98%ile among 11.2L+	Top 3.83%ile among 1.2L+	Top 3.04%ile among 1.4L+
Academic Exams	- Ranked in top 60 merit batch among 15K+ students; maintained top 10 rank in mathematics for 2 years - Secured 3rd out of 450 in National Maths Talent Search '14; Top 1% academic standing in secondary school		
Awarded merit scholarship worth ₹1.5L		IR-1 for 2 consecutive years	Overall Excellence Award-2017
Academic Project	- Engineered dynamic carrier assignment simulator in NS-3, increasing spectral efficiency by ~30% Achieved 25% gain in throughput by simulating mid-session handovers across 2 base stations & 10+ users - Projected to cut infra rollout by 20%, enabling \$10M+ annual savings in high density urban LTE networks		
WORK EXPERIENCE			
Senior Software Engineer		Optum, Hyderabad	Aug '21 – Jun '25
SPOC for 12 delegate clients across UHC		Saved \$35M+ across 4 years	2x peer voted 'Best Collaborator'
Product Development	Launched delegate portal, achieving 70% adoption; cutting SLA breaches by 50%, incr. CSAT by 35% - Powered near real-time transaction tracking for 8.5M+ users; incr. billing accuracy & saving \$6M+/yr Expedited query TAT by 3x via unified support dashboard, red. escalations by 30% & improving CX		
Stakeholder Impact	- Enhanced claims statement UX for 25M+ users, grew self-service by 40% & red. support calls by 35% Drove 15+ stakeholders across 5+ CFTs to automate reprocessing saving \$500K+/yr, red. manual effort - Revamped release processes, improving quality by 90% & speeding up 50+ feature deliveries by 25%		
Value Creation	Generated \$5M+ savings/yr by standardizing message content across 20+ apps, improving compliance - Modernized insurance config. data of legacy platform, saving \$1M/yr & enabling 30% faster policy go live Captured \$3M+ revenue & 15% adoption of new insurance plans, by resolving cross-state transfer friction		
'Make IT Happen' award winner among 1000+ org-wide submissions		Star of the quarter, out of 50 engineers	
Operational Excellence	Dec. incidents by 90% via Spring boot data validations & duplication checks; dropping OPEX by 75% - Spearheaded automation of month-end dashboards, saving 2K+ hours & red. report gen. time by 85% - Engineered optimized data load pipeline for 8M+ records using python, reducing ETL time by 700+ hrs		
Team Leadership	- Authored 8 SOPs & trained 23 engineers on 10+ workflows, red. defects by 35% across 3 major releases Liaised with 6+ downstream teams for adoption of 40+ APIs, reducing integration timeline by 25 days - Championed 8+ microservices KPIs; avoiding 600+ hours of rework by scaling adoption across 6 teams		
POSITIONS OF RESPONSIBILITY			
Core Member '20 Techathon X1	- Organized the zonal round of Techathon X1, a 24 hour hackathon by MeitY Tide 2.0, Govt. of India - Handled ₹30K+ budget, lodging & hospitality for 6+ judges & 50+ participants from across NE India		
Lead '24 AI Enablement	Cond. 8+ AI workshops, red. delivery timeline by 15%	Trained 68 engg. boosting adoption by 80%+	
	Launched GenAI adoption roadmap, piloted 6+ AI tools & achieved 15% productivity gain in 3 months - Developed chatbot prototype to unify 40+ APIs, reducing complexity & unlocking \$500K/yr in savings		
Core Member '18 Indoor Games	- Led 7 member team to manage 140+ fixtures, 260+ athletes for badminton & chess with 0 reschedules - Mobilized vendor network of 8+ to negotiate 15% lower costs, managing ₹75K+ worth of sports assets		
EXTRACURRICULAR ACTIVITIES			
Sports & Gaming	Ranked 1/220+ in Dist. Badminton	Ranked 1/130+ in Dist. Chess	2x inter district representative
	Awarded Best Emerging Gamer , ranked 2 nd /450+ players in college esports competition		2018
Event Management	Organized 5 day cultural event managing 6 verticals, raised ₹3.4L & hosting 1.2K+ attendees		2019
	Managed a student run food stall, securing 2nd place among 20+ stalls at annual food fest		2018
	Staged Ugadi celebrations for 700+ guests; incr. footfall by 15% through wider outreach		2017
Quizzing	1st prize in Decrypto 2.0, a ciphers and puzzle event with 300+ participants at NIT Silchar		2017
	Secured 3rd place in inter school Math quiz outperforming 250+ students across 10 schools		2013
	Won 1st place in Logicia at college among 120+ for Math and C programming challenges		2018
