

EDUCATION				
Year	Degree	Institute	%	
2027	MBA	IIM Lucknow	-	
2022	B.Tech in Civil Engineering	VNIT, Nagpur	72.6	
2018	Maharashtra State Board	Shri Shivaji Science College, Nagpur	84.46	
2016	Maharashtra State Board	Somalwar High School, Nagpur	95.33	
ACADEMIC ACHIEVEMENTS				
Top 2% ile/382 students in International English Olympiad		Meritorious student with perfect 100/100 in 10th grade Maths		
Certifications	- Earned Lean Six Sigma Green Belt certification from AIGPE, building expertise in process optimization - Undertook four SAP courses, covering material management and project implementation methodologies			
Research Paper	Best Paper Award in Second International Conference on Construction Materials and Structures			
	- Published research paper on Effect of Cupola Slag as a Coarse Aggregate in ELSEVIER Publications - Achieving up to 15–20% cost savings per cubic m. of concrete, this replacement reduces material cost - Steel slag can replace 30% of coarse aggregate without compromising concrete’s compressive strength			
	Expertshub (Intern)	- Enhanced structural design expertise; gained 3D modelling advanced proficiency with Revit BIM software - Designed a boarding school in a live project; built 3D Revit model and comprehensive detailed report		
WORK EXPERIENCE				
Senior Engineer		Tata Consulting Engineers, Mumbai		Aug '22 – Apr '25
₹20L+ saved via steel optimization		₹300Cr+ project executed	LOR from senior leadership	
System Redesign	Reduced material cost by ₹20L+; via optimization of piperack routing, driving ~12% steel efficiency - Build Excel-based dashboard; ensuring cross-functional syncs to anticipate delays & reduced risk by 15% - Partnered with ₹53,440 Cr firm as SPOC; resolved 3 substructure clashes by ensuring safety, 20%cost saving			
Process Optimization	- Devised reusable standardized steel design modules, accelerating delivery and saving ~50 design hours - Enabled cross-functional synergy via central channel; inc. resolution, boosting workflow output by 40% Saved ~175 hours of manual computation time by automating size assessment and BOQ generation			
4.5/5 client rating for transparent, proactive communication		Recognized by Hydrocarbons dept. Head for steel optimization		
Stakeholder Management	- Streamlined coordination with 3 outsourced vendors; improved alignment, ensuring 95% schedule adherence - Led 15+ site engineers, resolving critical site operational issues; reduced monthly query volume by 30% - Spearheaded workforce planning; upskilled 15+ FTEs, driving 95% billable utilization across 2 parallel proj.			
Bidding Assistance	Economised ₹10L+ by optimising a best quality bid cost for ₹43K Cr enterprise; engaged 10+ stakeholders Enhanced bid ranking by ~20%; structured BOQ via bottom-up cost modeling and engineered design levers			
POSITIONS OF RESPONSIBILITY				
Generated revenue of ₹1.5L+, donated to an Old age home		Organized 30 events, with an accumulated footfall of 5,000+		
Core Member, Aarohi, 2018-2022	- Led and mentored 4 junior members, ensuring consistent and high-quality visual setup across 5 venues Generated revenue of ₹3L+; selling over 600 passes by promoting in 20+ colleges and public areas - Assisted in end-to-end execution of a 3-day fest, coordinating 10+ events with zero execution delays			
Reception Head Axis	- Managed reception desk, assisting 2000+ attendees with event information, schedules, and overall support - Registered 350+ participants, tracked ₹2.8L+ pass sales, and maintained accurate data for 3 pro shows			
Organiser, Junior Scientist Axis	Organized 5 competitions with 330 participants, handling planning, execution, & volunteer coordination - Conducted outreach in 10+ schools, increasing participation by 350+ via presentations and engagement Ensured 300+ student footfall through strong marketing, planning, and on-ground coordination efforts			
EXTRACURRICULAR ACTIVITIES				
Power-Lifting	Top 3 finisher in 4+ competitive events – 120 kg deadlift, state and city-level championships			
	1 st : Powerlifting	3 rd National Level : Bench Press	2 nd position: Dead Lift	1 st : Dead Lift (120kgs)
	IIM Lucknow	Nutrition.com Classic	Ronnie Coleman Event	Tungsten fitness : Mumbai
Sports	- Secured top positions in 3 Badminton and 2 Table Tennis events at Intra-TCE sports meet - Achieved 3rd position in 11th Interschool Invitational Roller Skating Championship event			2024 2010
Trekking	- Scaled Maharashtra’s highest peak, Kalsubai (1,640m), during a challenging high-altitude trek - Completed overnight trek and climbed Rajmachi Fort in the Sahyadri mountain range			2025 2023
Drawing	- Won 2nd prize in the Annual Art Exhibition conducted at Somalwar High School, Nagpur - Secured ‘A’ grade in Elementary Grade Examination held by Government of Maharashtra			2015 2013
