

EDUCATION			
Year	Degree	Institute	%
2025 - 27	MBA	Indian Institute of Management Lucknow	-
2017 - 21	B.Tech in Mechanical Engineering	Malaviya National Institute of Technology Jaipur	81.90
2016 - 17	XII – CBSE	Royal Senior Secondary School	87.20
2014 - 15	X – ICSE	M.G.M Higher Secondary School	88.67
ACADEMIC ACHIEVEMENTS			
Received PPI Offer from Hero MotoCorp		Ranked 1 st in Academics for 10 Straight Years	
Scholastic Accolades	- Achieved top grades (A/A+) in 31/68 courses during B.Tech, in a batch of 120+ students - Scored A1 grades in 3/5 subjects in Class XII Boards, showcasing consistent performance - Secured top 1% (3rd /200) in Class X Boards, received Certificate of Academic Excellence		2021 2017 2015
Certifications & Academic Projects	- Completed Certified Advanced Excel Practitioner Course, BizTech Club, IIM Lucknow Optimized clamping positions in multi-pass welding of 5052 - Al to minimize residual stress - Awarded Merit Certificate for B-Plan in a Solar Car Competition from a pool of 15+ teams		2025 2021 2019
Hero MotoCorp, Intern 2020	- Improved Paint Shop SOP by reducing drying time of fuel tank, yielding 17% efficiency gain in pilot run - Reduced Stripe Decal defects by 9% via RCA & process fixes in paint shop handling 2,000+ units/day - Developed an idea for RTO-compliant colour-changing fuel tank concept to enhance consumer appeal		
WORK EXPERIENCE			
R&D Engineering Specialist		Dassault Systèmes, Pune	July '22 – June '25
Aggregated cost savings of €94M		Fast-track promotion (22 vs 36 months)	
Product Development	Economized €4.17M by red. 75% TAT and improving efficiency by 18% by resolving 43 incident reports - Restructured platform revenue model, license to pay-per-use, onboarded 2K+ users, 11% yoy rev. inc. - Conceptualized and implemented EIN based search module, reduce 70% cycle time, 100K+ design/yr		
Business Development	- Delivered functions in the scope of Engg. Specifications including device Def. and Assy. with 10+ features - Realized €94M assisted business with 2 automotive & 1 aerospace clients, reducing their ~25% workload Generated €8.3M revenue through 2 UX-enhancing features that reducing 30+ repetitive customer tasks		
Process Optimization	- Strategized E2E product quality improvements, automated 25+ cases, reduce 30% TAT & 45% cust. issues - Planned delivery schedule of 10+ projects, accomplished 100% timely completion and 0 defect target Reclaimed 1.5K+ man-hrs/mn by reducing 60% regression, automating tests and standardizing 14 SOPs		
Received Director's Evangelist Award (out of 100+ Nominations) for my contributions in key projects			
Stakeholder Management	- Collaborated with 4 international CFTs across Europe and Japan to enhance design accuracy by 15% - Achieved 95% overall NPS by shortening user journey by 33%, addressing 6 key customer pain points - Enabled 50+ customers to filter design data using 4 advanced filter, while engaging with 8+ clients		
Knowledge Management	- Revamped release email flow, reducing noise by 70% and improving daily status access for 50+ users - Go-to person for Linux issues, resolved 30+ critical tickets and mentored team, saving 100+ man-hours		
Graduate Engineer Trainee		ArcelorMittal Nippon Steel India, Surat	August '21 – July '22
Business Development	- Assisted in E2E procurement processes supporting a project on plant expansion from 8 to 15 MTPA - Placed over 40+ Purchase Orders of total value ₹10+ Cr with an overall Savings of approximately 10% - Supported the procurement of critical machinery and spares for 2 planned capital shutdown ~₹10Cr		
Process Improvements	- Increased Average Cost Saving by 10% and reduce Procurement Cycle Time from 40 Days to 30 Days - Onboarded 50+ new suppliers to strengthen vendor base by implementing Strategic Sourcing Techniques - Led the shift to E-documentation and digital verifications, resulting in a major reduction in paper usage		
POSITIONS OF RESPONSIBILITY			
<i>Author, Wiki, DS, 2024</i>	- Documented 15+ technical posts to improve efficiency, benefiting 100+ employees across IND & FR - Conducted a Live Demo booth on CATIA Elec., illustrating full product lifecycle to boost awareness		
<i>Auditee, AM/NS India, 2022</i>	SPOC for Procurement department ISO Audit, managed 15+ stakeholders and got 10+ SOPs approved - Maintained ISO documentation ensuring 100% compliance, streamlined processes and successful Audit - Received Internal Audit Certificate for working as an auditee in the ISO procurement audit in FY-2022		
<i>Organizer, CAE, MNIT, 2019</i>	- Curated a 3-day workshop and upskilled 500+ students on AutoCAD and collected ₹ 75,000 in revenue - Managed registration desk and query resolution team for 500+ students, generating ₹ 62,500 in revenue		
EXTRACURRICULAR ACTIVITIES			
Social Work (CSR), DS	- POC for SEED the Future Leader initiative, guided 15+ students on their innovative projects - Trained 200+ government school students on education through a 3-day summer camps		2023-24
Team Lead, SAE, MNIT, 2020	Led a team of 5 members, overseeing component designs, simulation and on-field testing Cleared virtual round among 400+ teams, advancing to manufacturing round with 120 teams - Passed all technical tests & secured 9th place in a 4+ hour endurance race among 80 teams		2018-19
School Competitions	- Secured 1st position among 50+ participants in an inter-school Science Quiz Competition - Achieved 2nd Rank in an inter-school Patriotic Group Song and Fancy-Dress Competitions		2013-14 2008-13
