

EDUCATION				
Year		Degree	Institute	%/CGPA
2027		MBA	IIM Lucknow	-
2020		B.Tech in Mechanical Engineering	CET, Bhubaneswar	8.34/10
2015		Class XII - CBSE	ODM Public School, Bhubaneswar	70.00%
2013		Class X - CBSE	ST. Mary's School, Kaniha	9.4/10
ACADEMIC ACHIEVEMENTS				
Academics		▪ Secured offer from Deloitte USI & Infosys ; Achieved top-3 grades in 43/51 UG subjects		2020
Projects		▪ Estimated 30% fossil fuel reduction in 10 villages through hybrid energy feasibility study		2020
		▪ Prototyped piezo bump to harvest vehicle motion; projected 1 kWh/day for smart lighting		2019
Certifications		SAP	Certified in Integration suite, Build & Process Automation, Generative AI	2025
		CTTC - MSME		Certified in AutoCAD, ANSYS & CATIA, proficient in modelling tools
Internships	NTPC	▪ Identified 2% aux. power loss by analysing turbine and coal flow at 3000+ MW thermal plant ▪ Proposed O&M tweaks to enhance heat rate by 0.5%, lowering fuel costs by ₹15L annually		2018
	NALCO	▪ Identified 3% excess energy use during anode effects via mapping voltage spikes in Potlines ▪ Suggested alumina dosing and timing changes; improving cell efficiency & saving ₹10L/year		2019
WORK EXPERIENCE				
Consultant		Deloitte USI, Bangalore		Oct '21 – Jun '25
SPOC for partner firm engagement		Integration consultant for \$293B clients	Saved \$200K+ by ops. automation	
Platform Modernization		▪ Led €37.5M ERP migration from Oracle to S/4HANA, ensuring 99.99% uptime for a marine client ▪ Optimized freight and finance process overhaul via SAP BTP, driving \$250K+ annual savings in ops cost ▪ Strategized HR roadmap to digitise crew lifecycle for streamlining 2K+ employee across 10+ countries		
Process Enhancement		▪ Synchronised 15+ IFlows across 7 dept. for supply chain mgmt., enabled real-time tracking of 20+ KPI's ▪ Mapped 50K+ finance records to build reconciliation tool, reducing payroll processing and TAT by 10% ▪ Integrated ERP with process automation, removing 20+ bottlenecks , improving overall efficiency by 30%		
Product Delivery		▪ Designed talent hiring portal with 15+ features , red. onboarding time by 40% & inc. CSAT by 30% ▪ Accelerated PO tracking by 3 weeks by leading 10+ cross functional teams through 80+ user stories ▪ Delivered 0→1 vendor management tool using Ariba, eliminating manual touchpoints and streamlining
